BUDDY HELL!

Critter pals get us all misty

WHO said nature was mean and vicious and all about killing and eating the weak? Probably us, but that was before we saw this photo of a kind-hearted croc giving a pelican a ride across a river, like some sort of animal Uber driver.

The pelican probably has a sore wing or something. We dunno, we're not fucken vets. It gave us a touch of the warm fuzzies is all we're saying.

But the point is that nature isn't always about animals tearing each other limb from limb and licking up the blood – sometimes it's all beaut, caring and nice.

Y'know, like it says in the bible – the lion lying down with the lamb. And not to root it, either – just for a cuddle.

Unless, of course, we've got it wrong, and the second after this photo was taken, the croc flicked the pelican in the air like a big, feathery chicken nugget and swallowed the fucker.

But nah. We don't think that happened. It wouldn't be very nice, eh. ■ Picture

Chesty BLONDE!

Mel gets her floaties out

MELISSA Debling might not be a very strong swimmer, but we don't think it matters much. With those magnificent 32F flotation devices, she's never gunna drown.

In fact, if we had been on the Titanic with Mel, she would've been the first thing we grabbed.

While the 27-year-old Pommy model is world-renowned for her NORKULAR BEAUTNESS, she modestly denies they're anything

special, claiming it's her baby blue EYES that are her best feature.

"There's too many good boobs out there," she happily chortles.

Yeah, but what's the best thing about YOUR boobs?

"They look great in bikinis, which is definitely a plus for the summer."

Is there a downside to having such WEIGHTY WUMBAS?

"I have to wear two sports bras when I do cardio at the gym."

We'd like to see that! Erm... what's your take on Australia and, more importantly, AUSSIE BLOKEHOOD?

"I'm afraid I haven't met many Aussies, but I am keen to come there. I'd love to visit Whitehaven Beach. [That's on Whitsunday Islands, readers – ed] I've heard it's beautiful!"

Yeah, yeah, crystal-clear water, pure white sand, blah blah blah. Load of shit. You'd be better off at the pub with us. What do you drink?

"I do love a glass of champagne or two, but they always seem to get me pretty drunk."

Oh yeah? That sounds... interesting.

“MY BOOBS LOOK GREAT IN BIKINIS!”

"CHAMPAGNE GETS ME PRETTY DRUNK"

What kind of drunk are you?

"It depends what I drink and how much... I usually get pretty jokey and sarcastic."

As long as you buy your round, we can forgive that. Is there anything else we could do to keep you entertained while you're here?

"I love going to strip clubs and watching OTHER girls take their clothes off for a change."

As it happens we have a few contacts in that area, so consider it a done deal. One last thing – we're guessing you don't go short of aspiring potential boyfriends, but how would a humble Aussie bloke beat his way to the front of the queue?

"Just be yourself."

If you say so. It's never worked before, but we'll give it a go... ■ Picture

SYDNEY!

Tara's such a tomboy, she doesn't even need a bush to piss behind. Which is fine down on the farm, but it's a bit embarrassing when she's in the big smoke.

LOS ANGELES!

You have to watch Alanna. Any time you leave the side gate open, she's out like a shot and into the traffic. Naughty nude spunk! You come back here now!

PERTH!

A cheap, shoddy zipper made Tracey's first day on the job as a marriage celebrant a nightmare. But on the other hand, she did pick up three bookings as a stripper-gram.

GETTY, MET-ART, FTV

It never occurred to Olwen that when she was bitten on the tit by an ant she could've pulled her dress DOWN to show everybody. Noooo. That would've been too simple.

SAO PAULO!

We were hoping when the World Naked Bike Ride hit Brazil, there'd be more sequins and feathered head-dresses. But some nice, sweaty tits'll have to do.

OXFORD!

Victoria goes to this ritzy Pommy uni, where she gets pissed, roots around and never goes to lectures. One day, she may be Prime Minister of their country.

Believe it or not, this shit happened!

FREE BEER!

THREE lucky blokes will travel the world drinking free piss for four months, and even cop US$12,000 in pocket money, thanks to a Florida-based restaurant and bar chain. World of Beer is looking for three interns to sacrifice their livers going to craft beer festivals around the globe, then writing about the experience. "Whether you're a photographer or writer, social media maverick or beer blog surfer, we are looking for you," WOB says on their website.

CAT GOT YA UNDIES?

A KIWI kitty has been named as the culprit in the great Hamilton undie robbery. Brigit, a Tonkinese, has brung home at least 30 pairs of men's Reg Grundies and about 100 socks to owner Sarah Nathan. "She's showing her love by bringing me underpants," Sarah said. Which is all very nice, but Sarah wants to return the gear to the rightful owner. "I'm pretty sure the underwear is from the same source," she reckons. She put a flyer out on her street, but when that didn't work she posted this pic on Facebook.

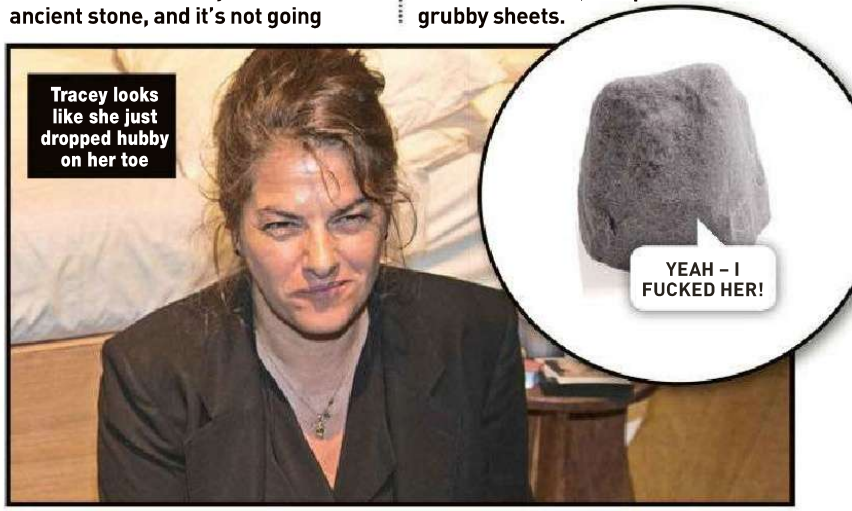
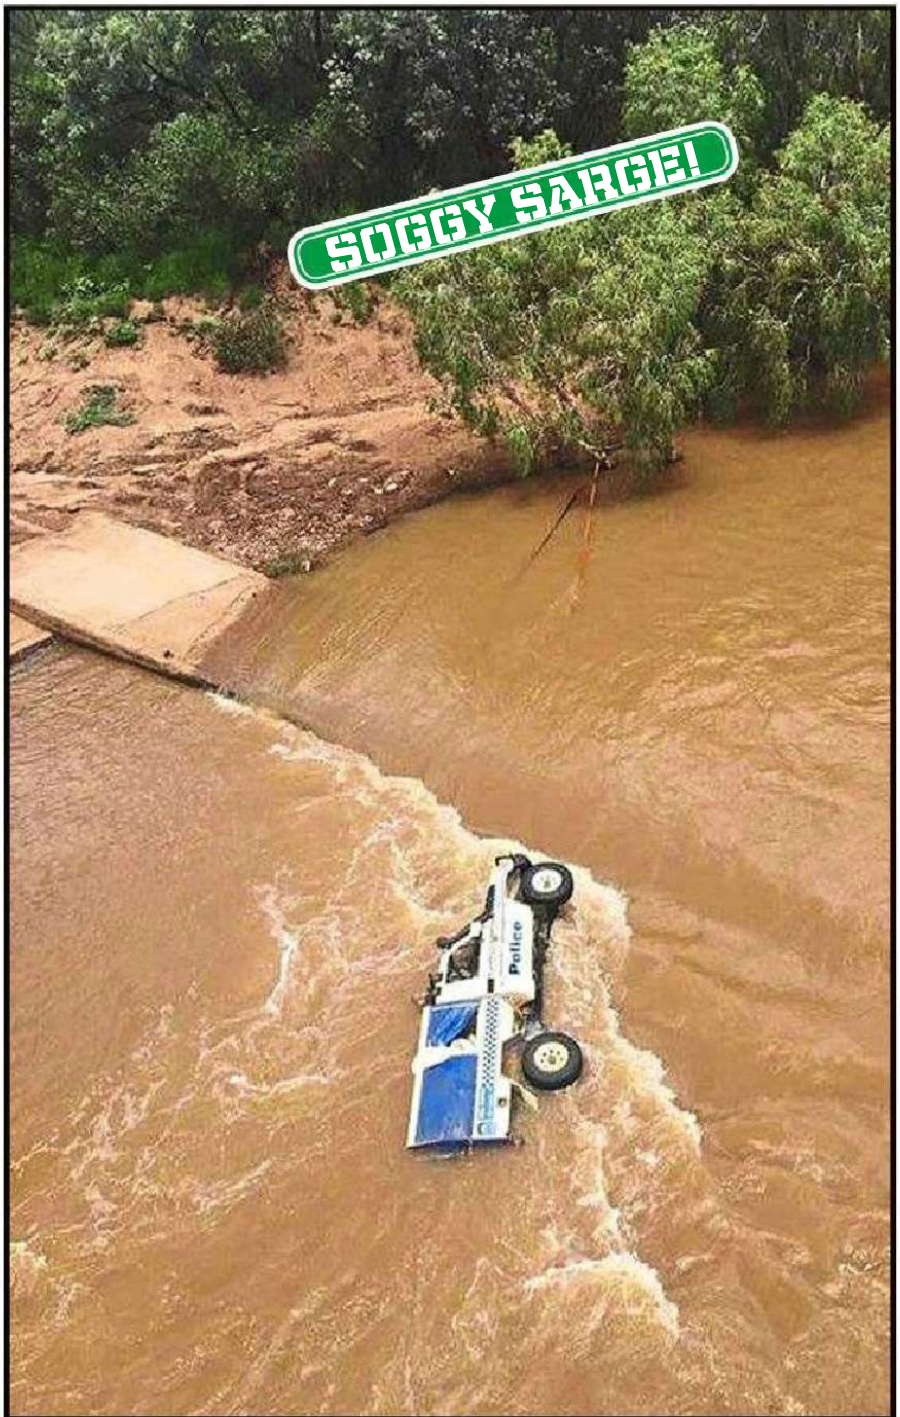
#265 WE DREW A COCK ON IT

'I MARRIED A ROCK!'

WACKY pommy artist Tracey Emin has announced her marriage – to a rock that resides in her garden in France. "Somewhere on a hill facing the sea there is a very beautiful ancient stone, and it's not going anywhere," she has said. "It will be there, waiting for me." Unless it rolls away to hook up with a sexy boulder, eh. Tracey's famous artworks include her unmade bed, complete with grubby sheets.



Tracey looks like she just dropped hubby on her toe



COP THIS!

TWO NT cops trekked almost 15 kays in bare feet to get help after their paddy wagon washed off a crossing in a crocodile-infested river. They'd been trying to cross the flooded Victoria River at Dashwood Crossing, 250-odd kays south of Katherine, not realising the concrete causeway had washed away. They walked the 14.5kms to Victorian River Downs Station barefoot because they had been driving the car in thongs. The area is known for its big crocs – a 3.7 metre CATTLE KILLER was captured near there recently.

ROBO-COCK

A SCOTTISH bloke with a $150,000 bionic cock has finally been able to USE IT. Mo Abad, 44, was de-dicked in a car accident at age 6, then eventually had a spiffy TECHNO-DICK built and installed by doctors. He lost his cherry at long last with prossie Charlotte Rose, who generously waived her fee. After one false start due to "technical difficulties", Mo finally got his wonder-wanger working and did the deed. "After it was over, I lay there with a big smile on my face," he said.

BUZZ BOMB

EMERGENCY services were called out in Modena, Italy, when a local reported a strange buzzing noise coming from inside a garbo bin on the street. Fearing some bastard terrorist had stuck a bomb in there, cops cleared a 200 metre exclusion zone around the bin and moved in wearing protective gear. Turns out they had nothin' g to worry about – it seems some sheila had chucked her old vibrator and hadn't taken the batteries out, and it self-started when it was dropped in the bin.

DOGS OF WAR!

WAR IS ROVER

Their bite is worse than their bark

YOU know that a pooch is one DANGEROUS MOTHERFUCKER when soldiers carry it into battle instead of, say, a grenade launcher. These dogs of war are Malinois, a fearsome Belgian breed that has the Israeli Defence Force's enemies loading their daks with cack.

The furry fighters in the Oketz K9 unit specialise in one of four areas – search and rescue, attack, bomb detection or tracking. Looking at these mutts, muzzled like Hannibal Lecter, we reckon they're the attacking type, ready to rip your face clean off once they're let loose.

Handlers can UNLEASH THE HOUNDS, then give commands over radio, which the dogs receive through a device fitted to their collars. These commands are less "Sit and roll over," more "Chew on that bloke's scrotum".

The FEARLESS FLEABAGS are so well-respected, they receive medals for their service, and even get a military funeral.

They're fucked once people realise they can be distracted with a ragged tennis ball or a STRING OF SNAGS, but. ■ Picture

WE LOVE LUCY!

A taste of what's to CUM

IT'S not often we get so excited we have to show you what's gunna be coming up in future issues of the mag, but this is one of those times.

And we think it's justified. Anyway, judge for yourself.

One day recently we were flicking through piles of pics of nude sheilas – yeah, we know, it's a tough gig – when this dark-haired, big-norked, perkily-pooned cracker jumped out at us like a greyhound out of the starter's gate.

Immediately, everyone in the room let out a low moan. A chorus like that usually means only one thing – we have something special on our hands.

Lucy Li, for that is her name, is a 22-year-old, German-born resident of the Czech Republic with a nice little career in stick-flicks going.

Bit of lezzo, bit of wanky-wanky, bit of takin' the dick – she is talented in SOOOOO many areas, you wouldn't believe.

Anyway, we decided she was worth several pages, but we couldn't quite squeeze that into this issue, so we thought a little taster wouldn't hurt.

Like it? Good, 'cos there's gunna be more, lots more, in an issue very soon. And that's a promise. Picture

CYCLE

It's a 4.7 litre V8 mind fuck!

YOU know how it is – you get your mitts on a 4.7 litre V8 Maserati donk, and you wanna do something fancy with it.

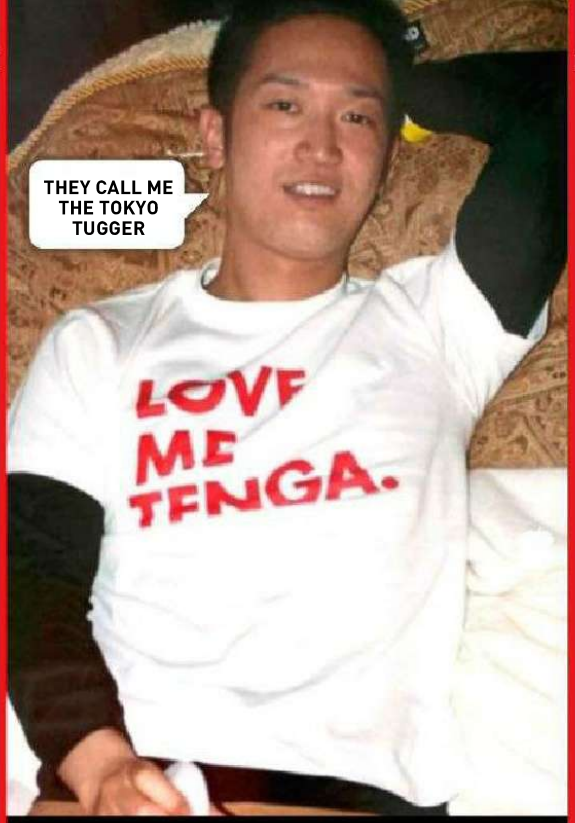
So why not build a mind-melting hybrid motorcycle/ leaning quad bike, paint it red and give innocent bystanders one of those "What the fuck...?" moments as it fangs past them, doing the ton?

So that's what French auto customiser Ludovic Lazareth did.

He bunged the mighty unit into a polyester and carbon fibre chassis, which pumps 470hp to the rear set of Michelins via a one-speed hydraulic coupling connected to two rear chains.

It looks like the motorcycle of your dreams – the sort of dreams you might have after a late supper of PEYOTE PIZZA.

Laz unveiled his LM847 MONSTER at the 2016 Geneva Motor Show, whereupon many men were seen to rub their knobs enthusiastically on first sight. Picture



Work hard, play harder

Masanobu Sato, who works for a Japanese sex toy company, set a record for the longest hand shandy at the 2009 Masturbate-a-thon in San Francisco. Sato, who OILED HIS HARPOON for just under 10 hours, told reporters: "My abundant imagination was a key to my triumph, firstly. Secondly, I trained a lot in Japan... I swam twice a week and gained about five kilograms in muscle." Then he proceeded to lose five kilos through his blow hole.

Eyes on the choad

In January this year, Detroit driver Clifford Ray Jones died after rolling his car and flying through the sunroof. Jones, 58, had been driving without a seatbelt (or pants) and watching porn on his mobile when he lost control while SHIFTING GEARS. At least he died DOING WHAT HE LOVED.

WORLD'S WANK

They can't keep their hand off it!

Outdoor wrist aerobics

The man who led a campaign to bring attention to a warlord we've forgotten in a country we can't remember, ended up in the news himself. In March 2012, do-gooder Jason Russell walked the streets of San Diego FLEXING HIS LOVE MUSCLE in broad daylight. Later, he claimed he wasn't in control of his body or mind at the time, which is standard for a furious flogging session.

Public poon slapping

In 2013, Lorraine Baines published the online confessional, *How I Get Away with Masturbating in Public*. The sex-starved scribe said she got off everywhere, from spa baths and buses to Britney Spears concerts. The secret? Wank when no one is watching. So that's where we've been going wrong!

Record nubbin rubbin

In a 2009 festival of fapping in Denmark, champion bean flicker Deanna Webb managed to rub out 226 orgasms in one sitting, setting a world record and FLOODING THE COMPETITION FLOOR. The highest amount of orgasms a bloke could squeeze out was 31. Finally, there's a sport that women can win HANDS DOWN.

BIGGEST ERS

Playmate with herself

Nicole Narain, a Playboy playmate who ficky-ficked Colin Farrell, says she was so mad for CLAPPING THE CLAM that once she did it for a whole day. "That was an exhausting day," she said of the marathon. "I didn't even want to eat food because that was my food for the day." Nicole hasn't sworn off whacking the woona. "I'm still human," she says. "We all have to clean the pipes once in a while." You're preaching to the choir, love.

NATURAL

The very best in Aussie breasts

OZ HAS been known as many things over the years. The clever country, 'cos we're a bit cluey. The lucky country, 'cos some cunt found a twenny in the street once. The OTHER country, as people from foreign joints call it.

But really, we reckon our proud land should be known for ever as the BOOBY country, because the bosoms of Oz are the best in the world. Here's the proof. ■ Picture

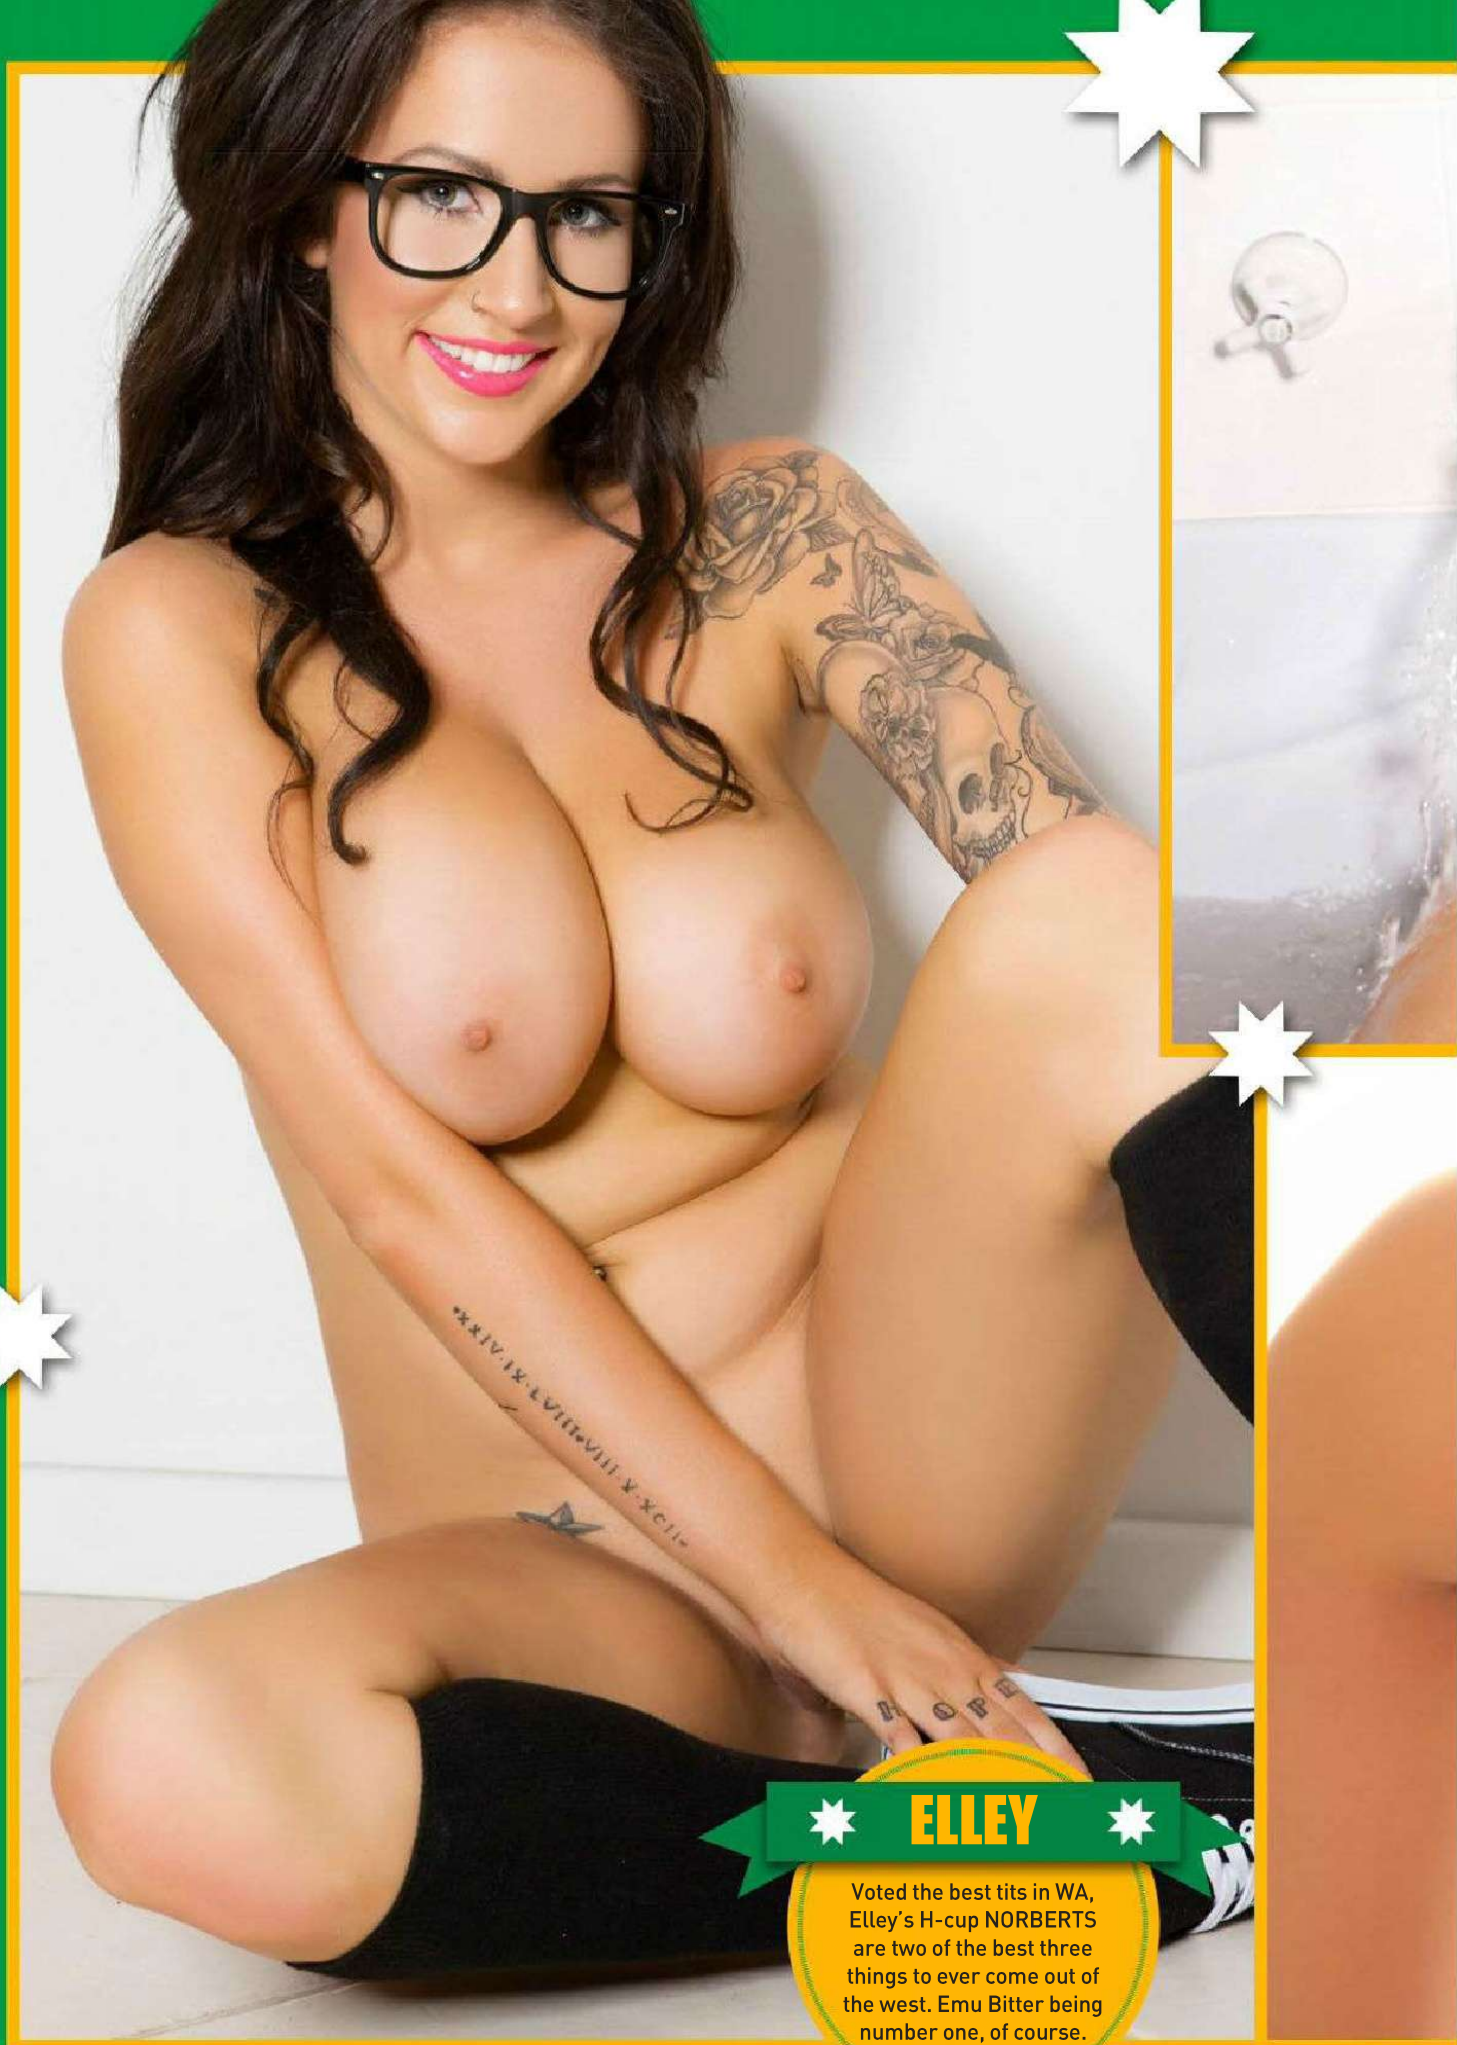
WONDERS

ANGELA

Angela White's 42G MULLIGRUBBERS have been her tickets to world-wide porn stardom. They still look very Australian, though, don't they?



ELLEY

Voted the best tits in WA, Elley's H-cup NORBERTS are two of the best three things to ever come out of the west. Emu Bitter being number one, of course.

REBEKAH

"I enjoy showing them off as much as possible," says the spunky Sydneysider of her double-D DANDELIONS. "I love getting all the compliments."

GABRIELLA

Gabby had her SHOWPIECE F-CUP RACK installed after she reckoned her first bolt-ons were too small. "It was the best decision I ever made," she says.

ZARA

"Men can't believe they're real," reckons Zara. And she ain't talking about her eyelashes. Actually, she's a Seppo, but the longer she stays, the more OZ she gets.

FRANKIE

The scary thing about Queenslander Scarlett Morgan's mams is they're still growing. "I used to be a DD or E cup, but now I'm close to FF," she squeaks.

FRANKIE

The perfectly-formed PETUNIAS of this native of Toowoomba, Qld, are not the largest in the land, but if it's shape you're after, go no further.

SAM

They're double-D and as natural as the DEW on last night's empties. Sydney-sider Sam got 'em out for us in ish #1383.

CLAUDIA

"I definitely think my breasts are my best asset," Claudia says. "I get a lot of stares." But it's not all look-but-no-touch for her. "There is no 'hands-off' policy."

KIKI VIDIS

LET'S PRETEND

"You should always pretend you know what you're doing, even if you have no idea at all. Women love confidence and that comes across in what you do in bed. The only thing I ask is that you don't lose your erection. So please don't."

TAKE YOUR TIME

"Foreplay should last around five minutes, give or take – if your fingers are drenched, it's time! And after sex, I definitely prefer a cuddle. No matter how rough the sex is, a cuddle afterwards always makes it feel worth it – kinda like a pat on the back."

GOING DOWN…

"Oral sex on women – every girl is different. Do not just go in for the kill; start off slow and light – you can always go heavier. And try to avoid using your teeth, you don't like them on your dick, we don't usually like them on our pussy. Oral sex on guys – you know what I really like? Sucking on your balls like they're made of candy. You know what's really gross? Your pubes in my mouth. The lesson here is: clipper that bush. A bit of man-scaping never goes astray."

GIGI ALLENS

OPEN MIND, OPEN LEGS

"When it comes to having a totally fulfilling sex life, you need to be open to trying new things. If your sexual partner has something they would really like to try, keep an open mind; you might really love something, but you will never know if you never give it a go. And no, I'm not just talking about butt-sex."

EVERY SNATCH IS SPECIAL

"Every pussy is built differently. Some pussies like to be pounded hard, some gently, others like circular motions while some need clitoral stimulation, some pussies squirt, others don't. Because you fucked one chick one way and she liked it, that doesn't mean the next chick likes it the same way. Ask her what she enjoys."

DOUBLE THE FUN!

"Don't forget that we have two G-spots – deep inside our pussy, and also our clit. Find it with your cock, your tongue, your fingers, or whatever she fancies!"

There better be nothing but JD in that fridge!

HOW LONG IT TOOK TO BUILD: Oh, it's an ongoing project. From start to finish, it's been about two years.

REASON FOR BUILDING: I just needed some place to go that wasn't too far from home. It had to be waterproof, so I can watch the footy and the V8s without too much drama.

FEATURES: I've got a pool table, big screens and a beer fridge.

FAVOURITE FEATURE OF SHED: My favourite bits are the toilet and the sink. I did that myself. The bar, of course, and again, the pool table! It wouldn't be complete without it.

SHED MOSTLY USED FOR: Good times. Having my mates around, keeping things easy and chilled out.

BEST THING EVER TO HAPPEN IN SHED: It's not long finished, so I'll have some stories to tell before too long.

WHY I LOVE MY SHED: It's a great place to chill. We keep it nice and relaxed, the telly's always on and we'll have the heaters on soon.

WHO GIVES A FLYING TRUCK?

FIRST off, can we say that the mere fact there is a town called Butte – pronounced "beaut" – in Montana is a good enough reason to crack a few cans and call it a party. Add to that the fact that it's the home town of all-time, fangin'-stuff-over-other-stuff champion Evel Knievel and you can see how the annual stunt festival held there and named in his honour is such a rip-snortin', spine-jarrin', skull-crackin', FARKEN ACE event. But every year someone delivers something special that lingers in the mind long after the hangover has worn off. This year it was a boomshanka-worthy effort by Gregg Godfrey, who put a prime mover up a ramp, through the air and down 48.7 metres away on another ramp. Then did a 200 metre, 180 degree skiddie to the adoration of the crowd, although his blown front tyre may have had something to do with that. Yep – whether you spell it Butte, beaut or BEEEYOOOT, this little town loves a flying semi, and Goddo's RAMPant effort was well worth WAITING FOR.

TAKE A SWING!

TRIN, I've always been curious about swinging but recently decided against ever trying it. It came abouts after three lots of friends who were all into swinging broke up in the past year. It's my belief that no matter how open-minded we claim to be, when it comes to extramarital sex, it still makes us jealous. What do you think?

KANE, ADELAIDE, SA

***TRINITY SAYS:** I don't agree with that at all. Trust and respected boundaries when participating in such activities are key to making those situations work. If the couple doesn't have those things then that's the relationships fault not the actual sex.*

BACK IN THE GAME

TRIN, I've just hit the town again after a ten-year relationship, and fuck me dead am I excited to get amongst some new pussy! I feel like chicks are way more open to flirting and even laugh at my shithouse old jokes. And the thing that really threw me was how willing some girls are to just have a one-night stand. The fuck happened while I was away?

DERRICK, MELBOURNE, VIC

***TRINITY SAYS:** Life, mate! Times are always changing - look how far we've come in merely 50 years; from the clothes we wear, what's socially acceptable and male/female liberation. Mate, chicks love it just as much are guys and aren't ashamed to play the field. Enjoy bro!*

MOTHERLY LOVE

I READ that sexting was a good way to spice up your sex life, so I decided to send my missus a few pics of my lil fella. When she didn't reply I sent a couple more, this time with a full-blown rager. I got a reply with a pair of tits that definitely weren't hers. So I gave the number a call and it turns out she'd lent the phone to her mum, Carol, for the day. We both decided to keep it a secret, for Carol's sake. But now I feel weird knowing my missus' mum kinda digs me. What should I do, Trin?

ROB, MANDURAH, WA

***TRINITY SAYS:** Babe, oh my god, what an awkward situation. That's poor form on the Mum's behalf for not wanting to tell your missus. Remember, if she ever turned on you and it came out, you'd be fucked - innocent or not. I'd lay it out there before it's too late!*

CHEAT AND PROSPER

I've been married for over twenty years and the hubby and I were as happy as could be. And the sex was fantastic, for the record. But, in our 19th year our sex life seemed to slow down, and we only had sex twelve

times that year. Since then, he's gone off the boil. So anyway, I had sex with a young man from work and, in the excitement, just blurted it out to my husband. Rather than going mad, he started asking me questions about it, and then we had KILLER sex. The affair continues, as do the questions and the great sex with hubby. Why is he so turned on by my infidelity? What should I do?

LINDA, NEWCASTLE, NSW

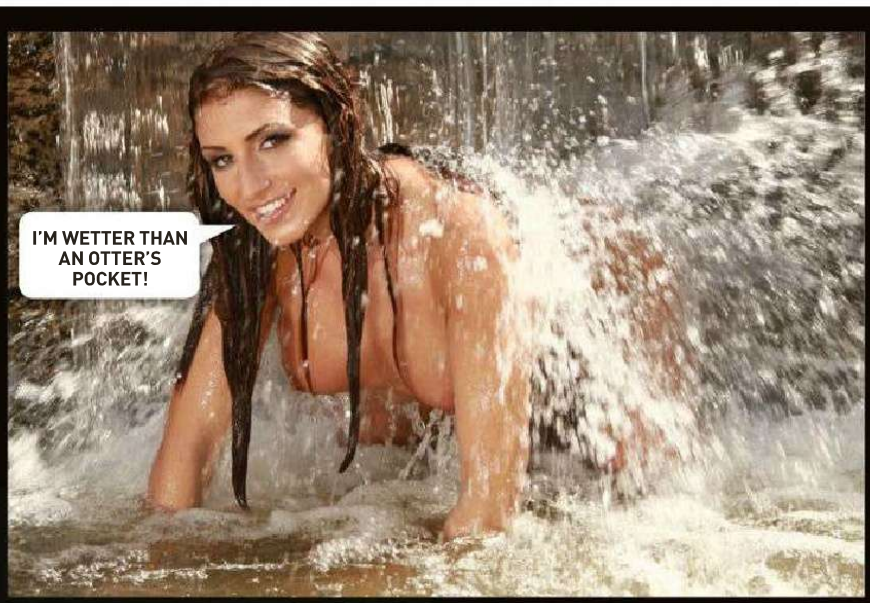
***TRINITY SAYS:** That's great news that it's done wonders for your relationship. I wouldn't worry about it if it's doing good, doll. Perhaps your man gets off on thinking about you with other men and the ways they please you that he can't. I think it's hot - enjoy it, woman!*

PUSSY CONTROL

HEY Luv, during a recent trip to Thailand my girlfriends and I witnessed one of those ping-pong shows and, I have to tell you, we got rather inspired! The bit that impressed us most was when the lady had a live parrot fly out of her vagina! How the bloody hell did she do that?! Trin, how would one train in order to keep live animals inside their pussy? I wanna put a pigeon in there and scare the absolute crap out of my husband!

DARLENE, BATHURST, NSW

***TRINITY SAYS:** Haha! Babe you're hilarious. Love the enthusiasm. To be honest, I have no idea about the training schedule for live animals; you'd have to ask them yourself. Ping pong balls etc are all about pelvic floor control - there are exercises for that you can Google.*



TRINITY'S SEX TIP

Take at least a few minutes to get your missus wet. There's nothing worse than a guy just trying to shove his hard cock into you before you're in the mood. And no, spit isn't the answer! Always remember wetter = better.

"MAKE SURE YOU HAVE PLENTY OF SALIVA"

SUCKY SUCKER

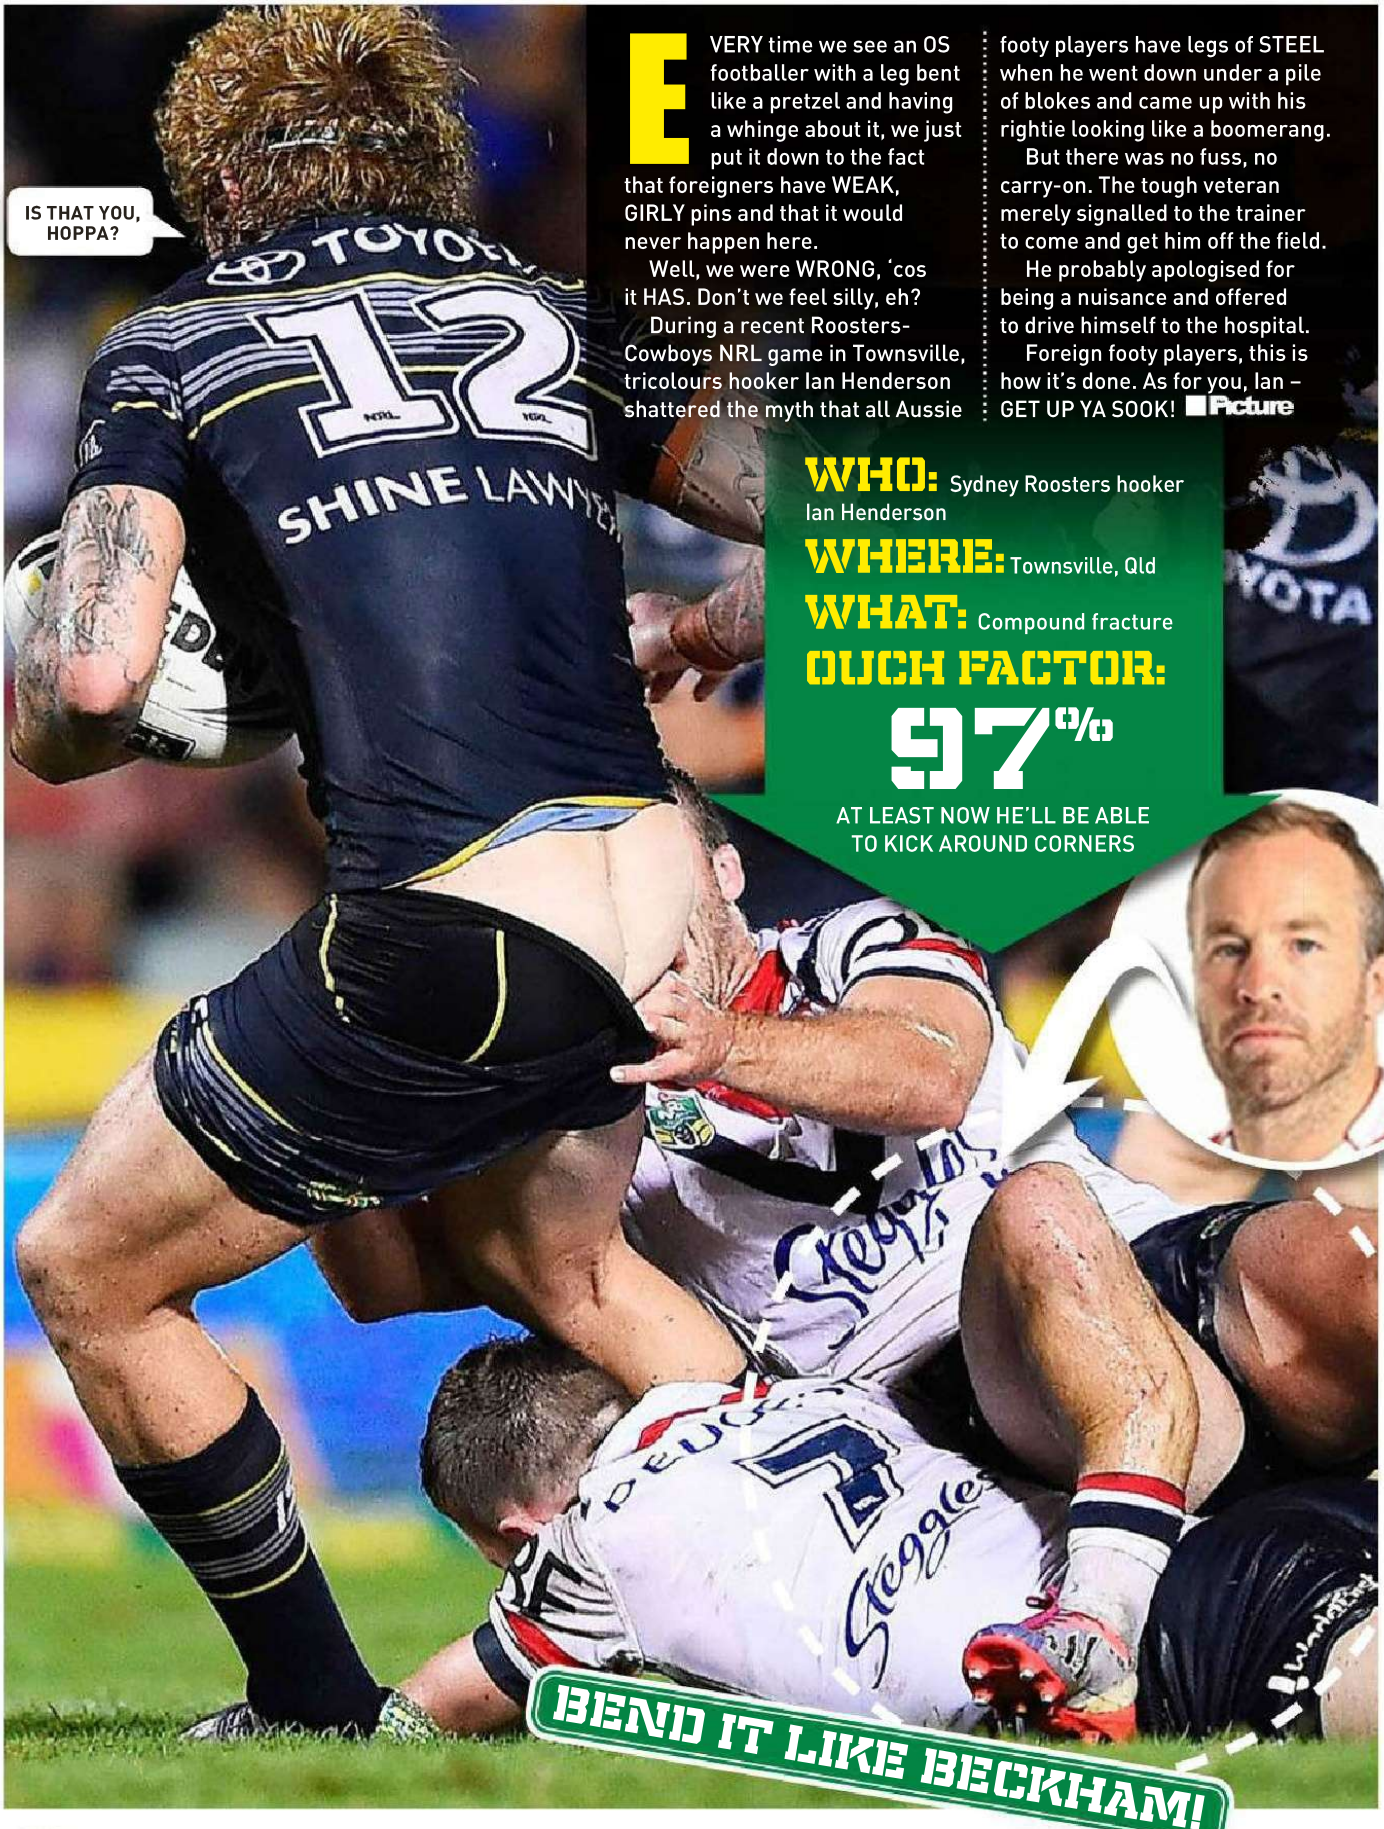
I'M HOPING you can help me out, Trin. I've been told I'm really shit at sucking dick. In fact a guy recently said to me "I'd rather put my dick in a blender than let you suck it again." I can't be that bad, can I? Can you please give me some advice on giving the best blowjob?

CRISTINA, LISMORE, QLD

***TRINITY SAYS:** Don't use your teeth; use your mouth and hand simultaneously to suck and wank. Start off slow then build up speed, make sure you have plenty of saliva and most importantly enjoy yourself and watch body language.*

Do you have a question only a SEXPERT like Trinity can answer? Do you want some advice on women in general? O YEAH? Then write to Talking Dirty With Trinity, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an em

Get up ya SOOK!



EVERY time we see an OS footballer with a leg bent like a pretzel and having a whinge about it, we just put it down to the fact that foreigners have WEAK, GIRLY pins and that it would never happen here.

Well, we were WRONG, 'cos it HAS. Don't we feel silly, eh?

During a recent Roosters-Cowboys NRL game in Townsville, tricolours hooker Ian Henderson shattered the myth that all Aussie footy players have legs of STEEL when he went down under a pile of blokes and came up with his rightie looking like a boomerang.

But there was no fuss, no carry-on. The tough veteran merely signalled to the trainer to come and get him off the field.

He probably apologised for being a nuisance and offered to drive himself to the hospital.

Foreign footy players, this is how it's done. As for you, Ian – GET UP YA SOOK! ■ Picture

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done a-big-poo stuff, just my usual classy shit. It's at:

https://twitter.com/ThePictureMungo

GET 'EM OUT!

I LOVE those features you've had of porn star Kim Cumms flashing all over Oz, and the shots in #1401 of all the cute chicks flashing at random places. I'd love to see more of these sorts of photos. There's nothing hotter than seeing a sexy babe flash her tits and moot in the street where you'd least expect it.

K.B., MT ISA, QLD

MUNGO SAYS: Yep, I agree with you 100 per cent. Random unexpected nudity is great. We're on it. Of course, if more of our chick readers would like to send some pics of themselves doing it, there's $200 in it for 'em. Carn girls, get into it!

PHOENIX STILL GETS 'EM RISING

MUNGO, the pictures of Phoenix in #1401 were stunning. I have the Exotic Angels calendar from 2005, and Phoenix was Miss May. I also have the DVD of the Exotic Angels comp, and when I play it, Phoenix is my go-to. Eleven years later and she's even more stunning. Print this and I'll gladly surrender the $50 for an autographed photo of her.

ROB BERRY, GROVEDALE, VIC

MUNGO SAYS: Our bunny chick, Phoenix, hasn't come to visit in a while, so I dunno about the poster. If she sees this and gets in touch we may be able to arrange something.

MUNGO IS IN DA HOUSE!

MUNGO, it appears another federal election is imminent, so when are ya gunna get off your fat arse and finally stand for parliament? If numb-nuts Ricky Muir can get in with three fucken votes or whatever, surely you, with the backing of tens of thousands of PICTURE readers, could win a seat. Then you could get all the right stuff done – legalise weed, sell Tassie to New Zealand, subsidise beer production, etc. C'mon, Mungo, have a go!

J.K., MILPERRA, NSW

MUNGO SAYS: I admit, the pay's not bad and the perks are pretty fair – free helicopter rides and that – but I dunno about me future workmates. They seem like a pretty whiny, annoying bunch. How long would I last before I was forced to punch some cunt in the face? Then I'd be out on me arse. Still, it would mean I could wear that suit I usually only put on for funerals. I tell ya what J.K., I'll have a think about it.

PIGGY IN THE MIDDLE

HERE'S a suggestion for a future pin-up spread – get all the hottest girls you've had in the mag for the past year or so and get them to form a nude girl cuddle puddle, and one lucky reader could be right in the middle, being smothered by dozens of tits and smoos. And since It was my idea, I think it ought to be me. So when do I show up for the shoot?

M.L., LUGARNO, NSW

MUNGO SAYS: Not a bad idea, but I reckon we'll raffle off the right to be the bloke on the middle. We'll need the coin to pay for all the girls. Readers, get your offers in now.

WHAT RHYMES WITH 'CRAPPOLA'?

HERE'S one for ya:
Mungo, an old cunt from Nantucket
His dick was so big he could suck it
His arsehole was totally beat
By some blackfellas meat
Now it's the size of a bucket!
Cheers from Gutstick

T. L., SOUTH GUILDFORD, WA

MUNGO SAYS: Erm... thanks. I think. There's nothing like a good poem, and this is nothing like a good poem. But good on ya for sobering up momentarily, finding a pencil and the end of a VB carton and scribbling this shit out for me. No, really – it's appreciated. If people like you, Gutstick, don't keep the ball rolling, Aussie poetry will die. And frankly, that'd be fine by me.

We're the fucken clever country, so prove it to me, readers – what are the most innovative ways you've used to keep piss cold? Photographic evidence preferred. The usual handouts apply.

A MAN checks into a hotel on a business trip and was a bit lonely. After deliberating for a few moments, he thinks to himself; "I know. I'll call one of those escort girls! It'll be sweet-as. No-one need ever know."

"Hello," the woman says.

"Hi, I hear you give a great massage and I'd like you to come to my room and give me one. No, wait, I should be straight with you. I'm in town all alone and what I really want is sex. I want it hard, I want it hot, and I want it now. Bring implements, toys, leather, whips, everything you've got in your bag of tricks... THIS WEEK: POLITICIANS

Q. WHY DOES BILL CLINTON WEAR BOXERS?

Q. WHY DO THEY BURY POLITICIANS TWELVE FEET DEEP?
A. 'COS DEEP DOWN, THEY'RE REALLY GOOD BLOKES.

RACK TO NATURE

Picture Pin-up

Mary loves to whip it off in the wild

SHE'S A CZECH, MATE!

"I WOULD LIKE TO FUCK AT BONDI BEACH"

FEW Australians have heard of the Czech town of Dvur Kralove nad Labem. Fuck, only a handful of people in the Czech Republic know it exists.

But this picturesque hamlet by the Elbe River deserves fame, because it's where Mary here discovered a passion for having her POON POUNDED in the great outdoors.

"There is something about being in nature that is sensual," the 24-year-old warbled. "It always makes me feel like getting naked and having fun."

Where was your first ALFRESCO FUCK?

"It was in a forest outside of town with my first boyfriend. We couldn't have sex at home because our parents were very religious, so we went on a long hike to have a picnic among the

"I LIKE HIM TO COME IN MY MOUTH"

pine trees. At least, that's what I told my mother."

How was it when you finally boonted?

"It hurt at first, but at the same time it felt so good. I'd been playing with myself for years and had plenty of orgasms, but it didn't compare to the feeling of the real thing filling me up."

Did you ever bone where you might have been seen by someone?

"So many times – once we had fucked I wanted to do it all the time. I couldn't wait, we'd do it in parks, my boyfriend would finger me on buses, and I even gave him a blowjob in a taxi."

That beats chatting with a cabbie. Where's the most interesting place you've tonked?

"In Prague Castle's Royal Garden. We climbed a fence after the gardens were closed and we had sex in one of the flowerbeds. I ended up with mud all over my dress that day. It was very embarassing."

PIN-UP
1402

“I HATE THE FEELING
OF CONDOMS”

Speaking of gardening, where should a bloke SPILL HIS SEED?

"I hate the feeling of condoms and I don't want a baby, so I like the guy to pull out and come all over my chest. Or, if we are going out, I like him to come into my mouth."

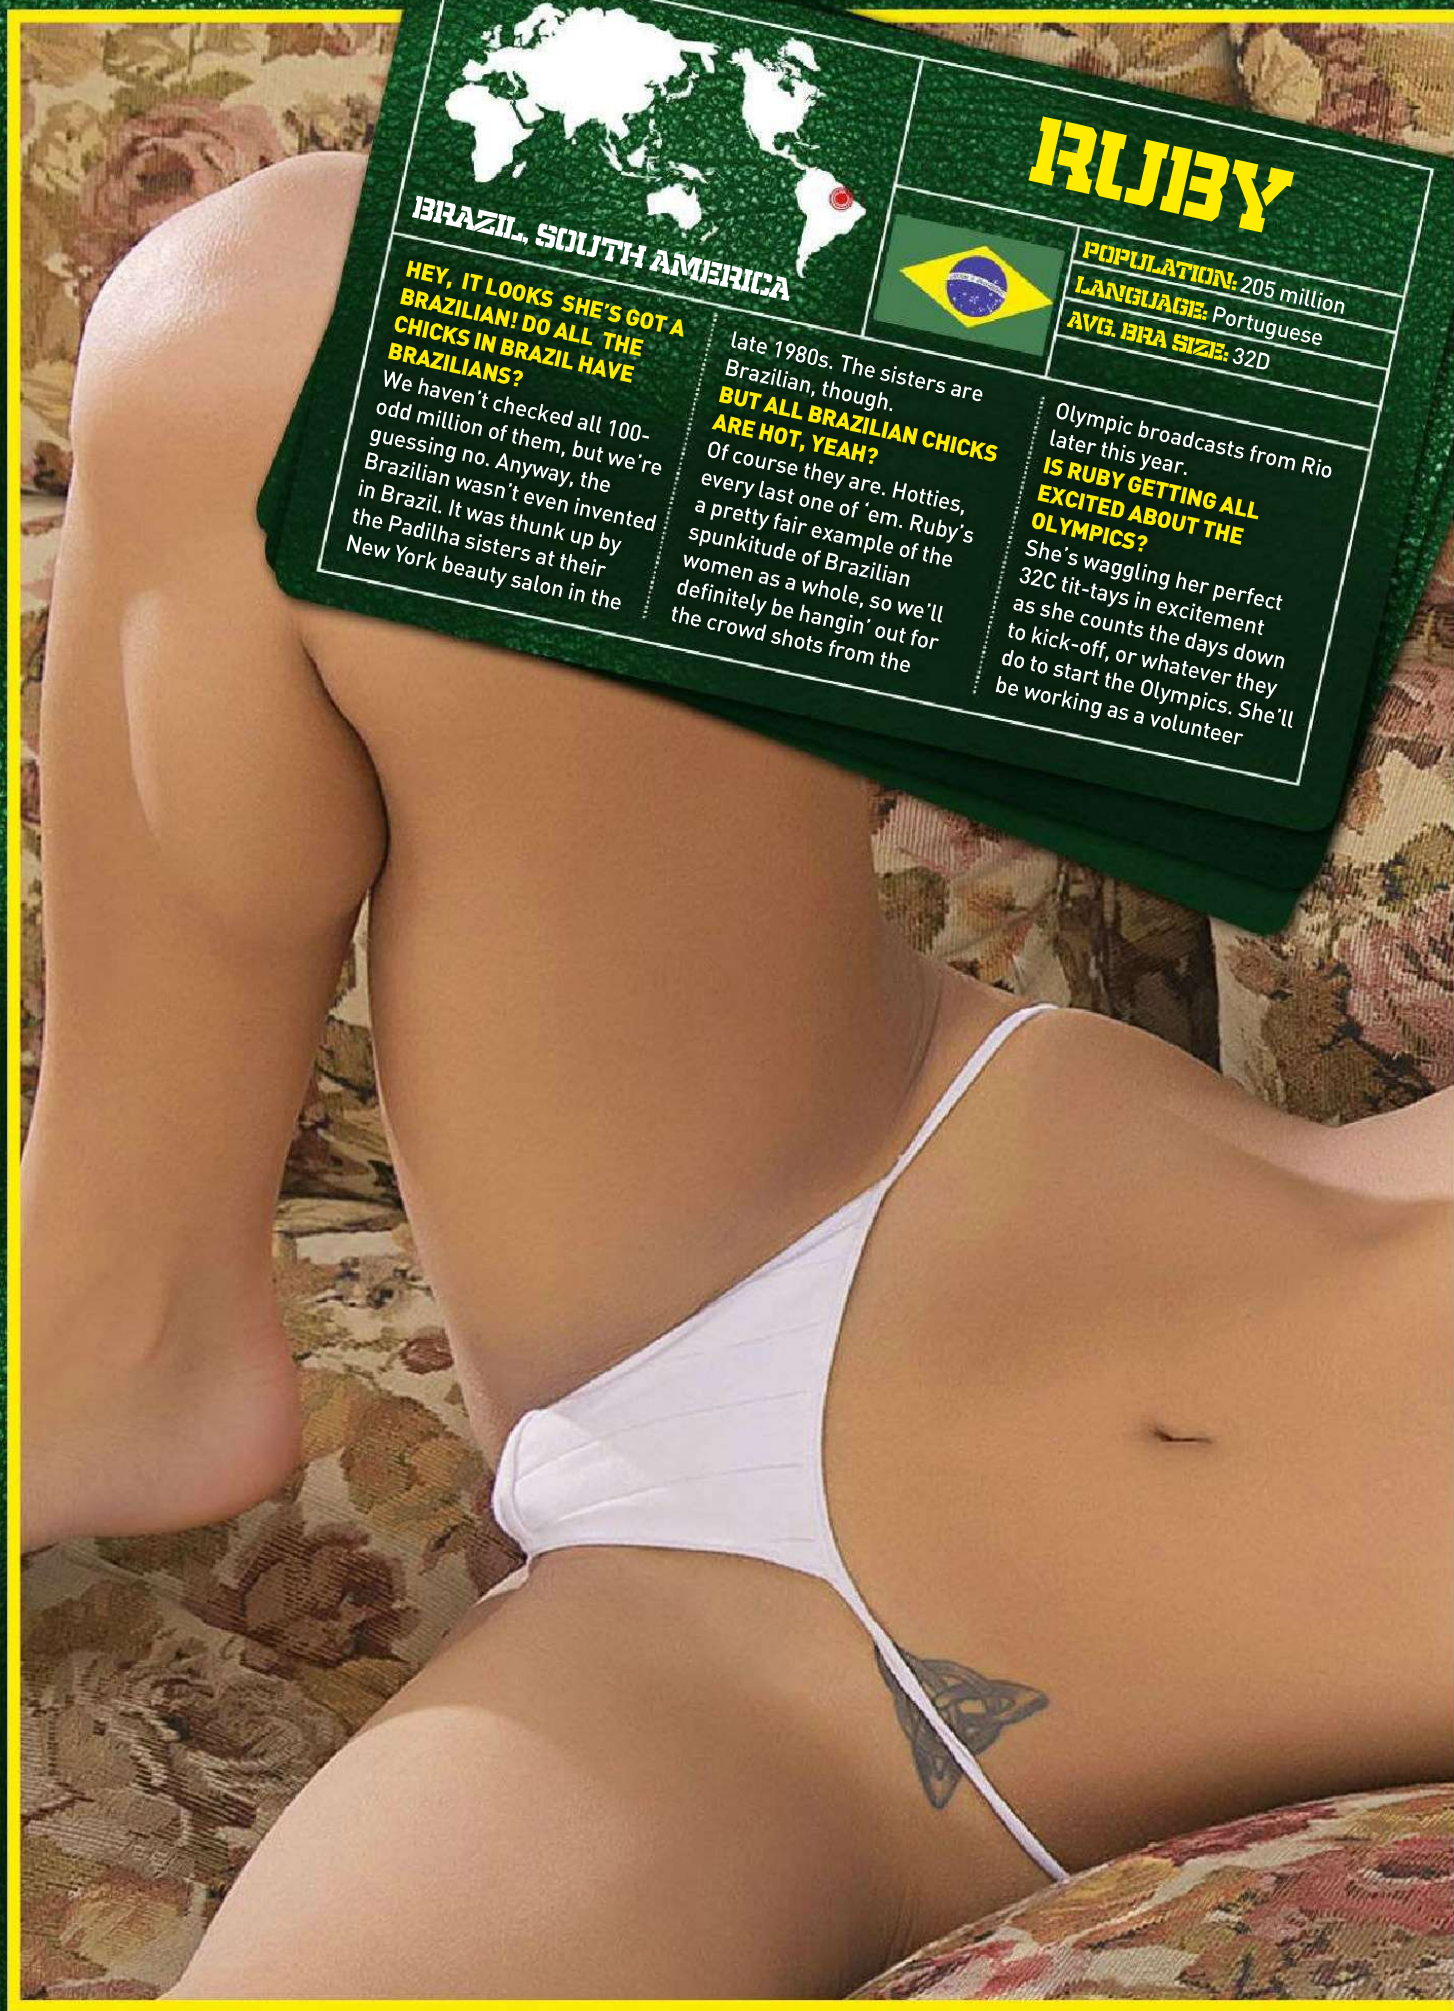
And you swallow?

"Of course. In Czech culture, it is a terrible insult to a man to spit his cum from your mouth."

Is there any chance of you'll visit Australia and shag on the steps of Sydney Opera House, or give a hand shandy on top of the Coat Hanger?

"I do want to visit Australia, but I wouldn't want to get deported for public sex. I would like to fuck at Bondi Beach. I've done that at home, and no-one realises what's happening under the water."

Just take care, Mary. Our friendly sharks have no sense of PROPRIETY. Picture



RUBY

BRAZIL, SOUTH AMERICA

POPULATION: 205 million
LANGUAGE: Portuguese
AVG. BRA SIZE: 32D

HEY, IT LOOKS SHE'S GOT A BRAZILIAN! DO ALL THE CHICKS IN BRAZIL HAVE BRAZILIANS?

We haven't checked all 100-odd million of them, but we're guessing no. Anyway, the Brazilian wasn't even invented in Brazil. It was thunk up by the Padilha sisters at their New York beauty salon in the late 1980s. The sisters are Brazilian, though.

BUT ALL BRAZILIAN CHICKS ARE HOT, YEAH?

Of course they are. Hotties, every last one of 'em. Ruby's a pretty fair example of the spunkitude of Brazilian women as a whole, so we'll definitely be hangin' out for the crowd shots from the Olympic broadcasts from Rio later this year.

IS RUBY GETTING ALL EXCITED ABOUT THE OLYMPICS?

She's waggling her perfect 32C tit-tays in excitement as she counts the days down to kick-off, or whatever they do to start the Olympics. She'll be working as a volunteer

FOREIGN
PRINCESS

showing people how to get to the stadiums, so if you're over there you might run into her. She probably won't be naked, but. They give 'em a special uniform.

THERE'S SOMETHING FAMILIAR ABOUT HER, THOUGH...

Yeah, that's what we said. The consensus of opinion around the manor is that she looks like an early model, pocket-sized Elle McPherson, but nuder.

HEY, THAT'S IT! WHEN RUBY ISN'T BEING A ROVING OLYMPIC AMBASSADOR OF BEAUTNESS, WHAT DOES SHE GET UP TO?

As you may have guessed, taking her clothes off to music is one of Ruby's many talents. Whether on the pole or in your lap, she's not to be missed when she's on at the Ye Olde Norks And Beer Bar in downtown Rio. She also shakes a mean tail-feather every year at Carnival, but she keeps her G-string so she doesn't frighten the kiddies.

HOW WOULD WE CHAT HER UP?

Buy her a few shots of cachaça, the local booze produced from sugar cane, get some samba up on your iPod, and don't be surprised if she dances you into the casualty ward by dawn the next day. Picture

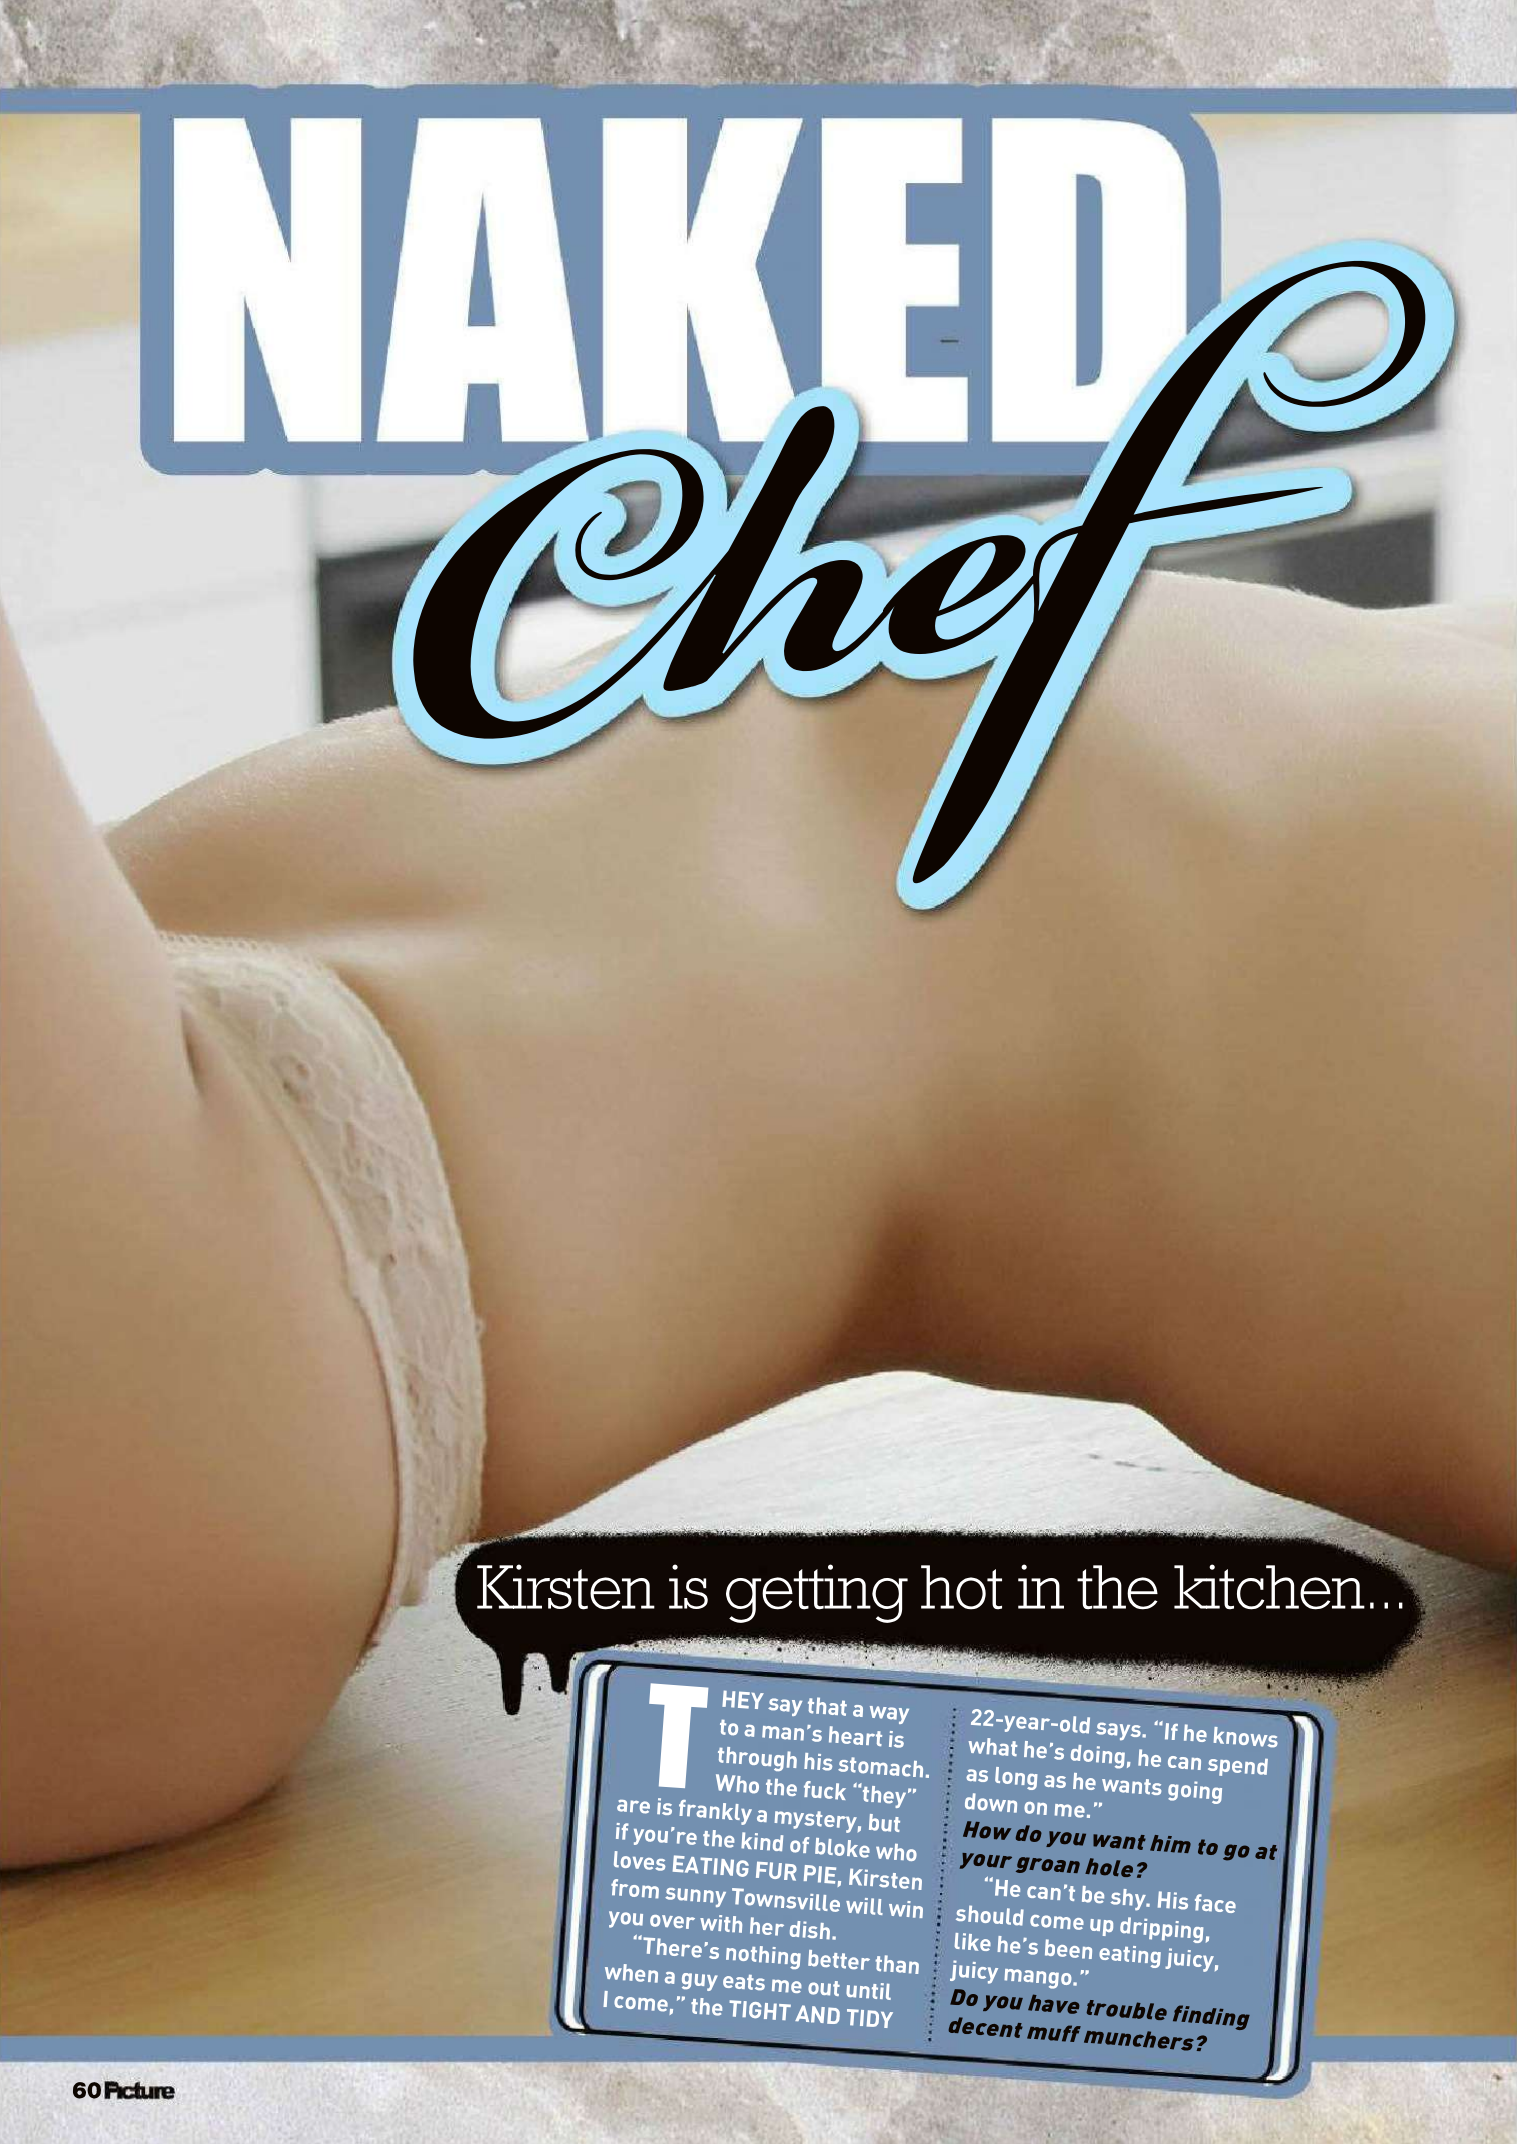
NAKED Chef



Kirsten is getting hot in the kitchen...

THEY say that a way to a man's heart is through his stomach. Who the fuck "they" are is frankly a mystery, but if you're the kind of bloke who loves EATING FUR PIE, Kirsten from sunny Townsville will win you over with her dish.

"There's nothing better than when a guy eats me out until I come," the TIGHT AND TIDY 22-year-old says. "If he knows what he's doing, he can spend as long as he wants going down on me."

How do you want him to go at your groan hole?

"He can't be shy. His face should come up dripping, like he's been eating juicy, juicy mango."

Do you have trouble finding decent muff munchers?

Made in Oz Girl

TRY KIRSTEN'S HOTPOT HERE...

"A GUY SLURPED UP CHAMPAGNE I POURED OVER MY PUSSY"

Made in Oz Girl

"Most are useless at first, but I'm happy to give instructions."

Will you eat his TUMMY BANANA?

"Only if they've gone down on me first. Too many guys won't return the favour once they've come. They're more interested in sleeping."

Fucken bludgers! Have you ever fucked about with food when you're bonking?

"It's not food, but I've had a guy slurp up champagne I poured over my pussy. Does that count?"

Drinking from the furry cup is good enough for us. Has a bloke ever SLIPPED YOU THE SALAMI in the kitchen?

"When I first moved out of home and into my boyfriend's place, we made a point of having sex in every room."

Sounds like a hell of a root fest.

"There were only three rooms plus the bathroom."

"HIS FACE
SHOULD COME UP
DRIPPING"

Made in Oz Girl

What's the best possie for a kitchen quickie?

"I like leaning up against the bench and getting fucked from behind. Or, if the guy wants to eat me out, I'd lie back on the bench."

Any places you'd love to have a root but haven't, indoors or out?

"I've always wanted to have sex under a waterfall. I was pretty close once, but a family showed up and we had to stop."

What kind of bloke do you go for?

"He doesn't need to be ripped but he should keep in shape."

Is a round, wobbly shape alright?

"If a guy is fat, he better have a nice big cock. Otherwise, half of it is hidden beneath his gut."

Christ you're a PICKY PENIS-EATER. Picture

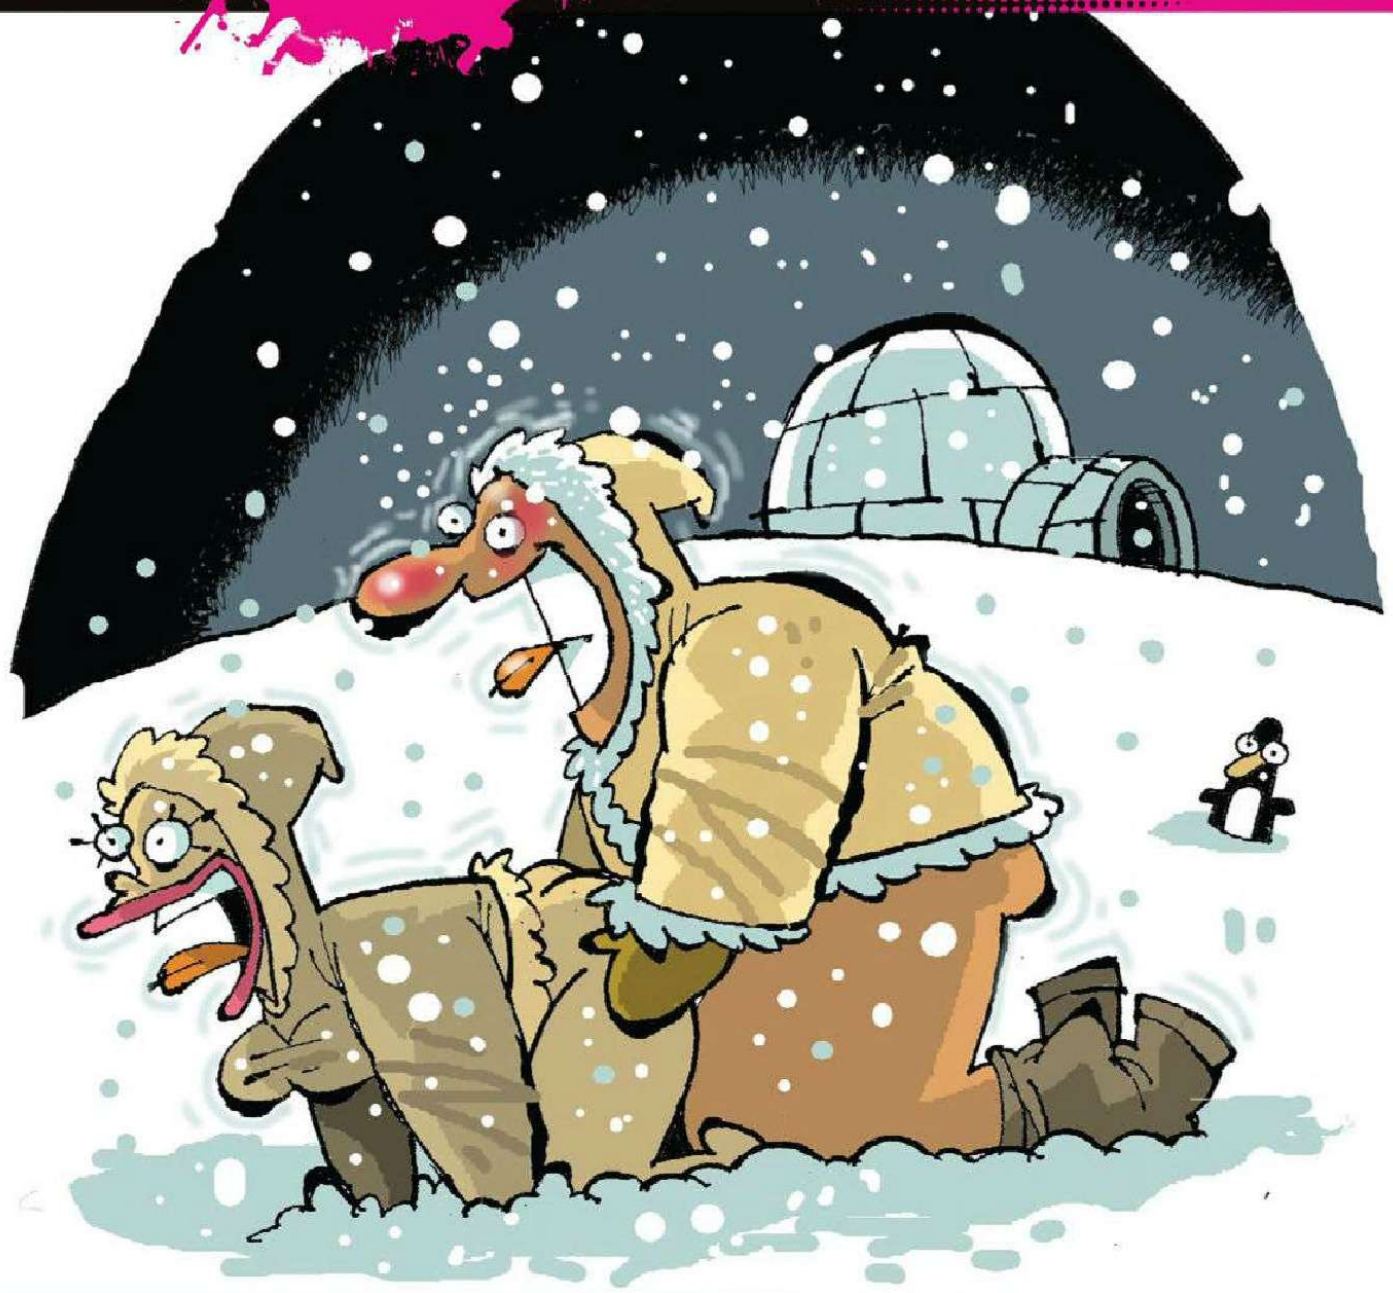
My Foreign Fuck



GET STUCK INUIT

EVERYONE was always telling me I ought to go to Alaska cos it was one of America's last frontiers, so when I was touring the states I flew up there and hooked into a tour of these smaller joints a bit off the beaten track.

It was beaut – I saw polar bears and wolves and all sorts of interesting shit, but you get a bit starved for eye-candy up there 'cos most of the time all the chicks are wrapped up in about 20 layers of gear and you can't really tell if they're hot or not.

We had this one local guide, Susie, who seemed pretty spunky – as far as I could tell – so on one of the evening stops I made a point of asking if I could buy her a drink.

When she wasn't wearing all her cold-weather gear she was bit of alright, and I laid on the old Aussie charm and lined up the wines until she was giving me the look that says "ready to root".

Trouble was, it was a bit of a cheapo tour and we were all sharing rooms with other people, so we didn't have many options for places to jump each other's bones.

She had a plan, but – she collected some of the parkas and stuff we'd been wearing and we dressed up until we looked like a couple of sumo wrestlers, and she led me by the hand out into the cold, dark night.

We went around behind the building where we were out of the wind, and Susie dropped to her knees in the snow, unzipped my three pairs of pants, pulled out my todger and before it could freeze, engulfed it with her warm, wet mouth. Suddenly I didn't feel so cold.

When my cock was just about steaming, she turned around, bravely dropped her strides and knelt down in the snow. I wasn't gunna be a piker, so I dropped mine as well and mounted her from behind.

We warmed ourselves up making wild, frosty love with the wolves howling in the distance, until I pulled my cock out and shot my man batter over her arse – where it froze in about three seconds.

Suddenly I was feeling the cold again, so we got dressed and scurried back into the bar for a couple of warming brandies.

JUST SAY SI, SI

THEY say that love conquers all, but I reckon lust does a pretty good job too. Like meeting a chick who doesn't speak any English, you don't speak her language, but because you've got the hots for each other you get around all that and still manage to get down to business.

I saw this gorgeous young señorita in a bar in Barcelona and stared at her until I realised that if I didn't do go talk to her I'd regret it for my entire life.

So I went over, said "G'day" and started chatting her up, but it was pretty obvious she didn't have a clue what I was talking about.

She put her hand on my thigh and gazed at me with her big brown eyes, and I thought, fuck it, just keep going.

I just kept blabbing away like she knew what I was saying, and the next thing we were walking out of the bar and climbing into a cab.

Before I could say anything, she told the cabbie where to go, and we ended up at this schmicko apartment.

She steered me into a room and, using sign language, indicated she'd like me to lick her pussy, which I did eagerly. She started moaning "Si, si" and I knew I'd hit the spot. My Spanish was that good at least. She ended by grabbing my head and grinding her moot all over my face as she came.

Then she pointed at my rock hard dick, made the international sign for blowjob, and raised her eyebrows. I immediately replied "Si si!" and she proceeded to give me the best gobbie of my young life.

Just before I came she flipped over onto her hands and knees, which I understood. I hammered her pussy doggy until we both popped our corks.

In the morning she started throwing my clothes at me and pointing at her wrist, which I took to mean I should piss off. I was a bit disappointed, but when she started saying "Mama, papa, mama, papa" I grasped that her parents were due back and skedaddled.

Before I went she gave me a card from the bar we'd been at and scribbled "21:00" on it, I was cluey enough to be there at 9pm that night. Language? Who needs it!

WHEN I was travelling in Europe, I flew into Dublin on St Pat's Day and got blotto on Guinness watching Irish marching bands in the streets. As well as bands, there were groups of dancers doing that Riverdance stuff on every second corner.

I was watching this one freckly, red-haired spunk dancing, and every time she did one of those hoppy bits, her skirt would fly up and I could see her perfect camel toe.

As soon as they took a break I grabbed a couple of pints of Guinness and went over to try and tune her up.

Turned out she had a soft spot for Aussies, and joined me for a bit of a pub crawl before we wound up back in my hotel room around midnight, full of Guinness and ready to start rooting.

She had her Riverdancing gear on, and since it was so sexy I asked her for a private show.

She giggled and said yeah, then told me to close my eyes while she got ready. When she said I could look, she was standing at the end of the bed and went into her dance, only now when her little shirt flew up there was no camel toe, cos she didn't have any panties on. Instead I got an eyeful of her coppery pubes and glistening pink slit.

I cracked a real diamond cutter lying back on the bed, so she ditched the Riverdancing and did a pirouette on my pole instead. She was jigging up and down on my cock for a while, then I flipped us over and started ploughing her missionary style.

All that dancing had given her legs like a gymnast, and when she wrapped her legs around my waist and squeezed I thought she was gunna break my back. Also, she had tremendous stamina and incredible pussy control, so she kept me going all night.

Funny thing, though, through hours of rooting I don't think her arms moved at all.

ELYSIA HOPE
SURFERS PARADISE, QLD

"I am absolutely addicted to chicken nuggets," says 20-year-old waitress and skinny-dipping fan Elysia Hope. ***What is it about deep fried chicken beaks and ring-pieces that makes your mouth water?*** "They're so bad, but just so good; a bit like myself." ***What are your big turn-ons when you are bad in bed?*** "Neck kisses; they make me tingle and get me worked up. I also love it when a man shows his dominance and takes control; I don't mind being thrown around and held down."

WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED? "I love being photographed naked often, because there's nothing more beautiful than a woman's body, in any shape or form. A woman should feel comfortable in her own skin and by getting photographed like this, it has given me more of that confidence than I ever would have that I could possess as I get to see myself through someone else's eyes and not a mirror."

"It is nice to have some sick-as pictures"

PHOENIX SUN
TOOWOOMBA, QLD

"I am definitely a party person," says 24-year-old German traveller Phoenix Sun. "I love to dance all night long in clubs or head-bang for three days at rock festivals. I have been to a lot of good festivals, but I think the best was the Fusion Festival in Germany." ***Anything else besides Fusion that you miss?*** "I miss my family, my friends and German food and beer." ***What will you miss about Australia when you get home?*** "I will miss the whole backpacker lifestyle. And the weather. But the most of all, the beautiful Australian people I met, especially from Toowoomba. I don't mind Toowoomba; it's not too big and not too small. You have everything you need." ***Maybe Toowoomba needs you and your beaut arse to stay in town a while longer.***

WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED? "I love it because it is just a great feeling to have few sick-as pictures of myself. It is a nice memory for my photo book."

"I had known for a while I was bisexual"

CHEVY
AUCKLAND, NZ

"I was a teenager when I had my first female-on-female experience," says 25-year-old Chevy. "We were wagging school at a secluded park and she asked if I liked girls. I had known for a while I was bisexual. We walked off to the playground, which had a tree hut at the top of it." ***Good idea, keep away from the prying eyes of the cops trying to bust those naughty truanters.*** "While climbing up the ladder, she slipped a couple of fingers between my legs to rub my clit underneath my tights. She ripped a hole in the crotch of my leggings, slid my underwear to the side and started to poke me and eat me out. She wasn't quite satisfied until I soaked myself in come." ***If only us fellas had the same determination as this young lady. New Zealand doesn't sound so bad after all.***

WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED? "To do this sort of thing, it helps that you have to be one carefree, horny individual. Which I just happen to be."

BAILEY CAIT
PARA HILLS, SA

"I am a very outgoing, fun and bubbly blonde who will probably be able to neck a beer quicker than you," says 19-year-old Bailey Cait. ***What is your beer of choice?*** "Pure Blonde for a pure blonde." ***Not sure low-carb actually counts as beer, but onya for trying. Have you won many beer-chugging bets or competitions?*** "I have won a few sculling comps with mates, but that's about it. Oh and I won a few hangovers with that, too." ***What about strip drinking games?*** "Oh yes, I have been beaten down to my g-string before. I am not sure there are many people who haven't actually seen my arse." ***What do you like about your arse?*** "I love my arse." ***What do you like done to it in bed?*** "It is big enough to be able to handle a decent spanking in the bedroom."

WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED? "I love that it is raw, shows you and all of your flaws. If you love the skin you're in, why not share it?"

"If you love the skin you're in, why not share it"

SHELBY
THEBARTON, SA

"I love travelling," says 23-year-old former nanny and now barista Shelby. "My favourite destination was America. I would love to go back there because I just loved it and it felt like home to me." ***Any place you would rather not head back to?*** "I went to New Zealand. I liked it, but I don't think I will do another visit." ***When you are at home, how do you spend time?*** "The most outrageously sexy thing I've done is this photo shoot or dressing up as Khaleesi from *Game of Thrones*." ***Did you do a Khaleesi and expose your boobs while on a horse?*** "No." ***Pity. What makes Khaleesi such a sexy character?*** "She looks hot and she has dragons and her hair is always so gorgeous. I have also made Margery and Cersei costumes, also from *Game of Thrones*. And steampunk Rapunzel and Belle." **WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED?** "I am not sure. This was the first time I have ever been photographed nude. It was just something different."

"I work in customer service, getting verbally abused on a daily basis," says 24-year-old Aubrey. ***What is the worst thing someone has said to you at work?*** "'Eat a dick you fucking slut' – because I wouldn't give her a bus timetable." ***We gather nude posing is a better way to make money.*** "It definitely has better benefits. Like being naked." ***Where else do you like to get naked?*** "Generally my shower and my bed. I'm clearly a 'live-life-on-the-edge' kinda gal." ***Not the main street or on beaches?*** "I never had the opportunity to. Skinny dipping at the beach is on my to-do list." ***When did you get your first tattoo?*** "I was 19 years old, so about five years ago. It was the two roses on my shoulder." ***Any favourites since then?*** "I don't like to stick to one look. My favourite tattoo is currently the heart on the left side of my ribs." **WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED?** "I started nude modelling three years ago, so I've done a fair few nudie shoots in my time."

"I'm keen to do it properly this time"

KJ
SYDNEY, NSW

"I am hoping to go on a swinging holiday soon," says 30-year-old KJ. ***You are spending your time off in a playground?*** "It's where a bunch of people go on a weekend away together to have all sorts or fun." ***Oh, THAT swinging. Have you been on one before?*** "Never, but I've heard they're awesome. Like your typical 'dirty weekend' except with more people." ***Ever had a dirty weekend with another couple? Or met another couple to swap while on holiday?*** "One time, except I ended up having too much to drink and fell asleep. That's why I am keen to do it properly this time. It was actually in Thailand, and we were all at the same bar. We were sharing Singapore sling cocktail buckets. They were swingers and we overheard them talking about one of their parties."

WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED? "It's liberating. There is nothing to hide. Everyone already knows what you look like and it makes life stress-free."

"I became a member of the Mile High Club"

EVE
PROSPECT, SA

"I officially became a member of the Mile High Club late last year on my way to Europe," says 25-year-old artist Eve. "I was traveling alone on a 28-hour flight to the UK and was sat in front of a very attractive guy. After hours of boring silence, we started talking, and I moved beside him. Things started off slowly – hand grazes and leg touching – by the tenth hour of our flight, the sexual tension was pretty high and we decided to go for it. Those bathrooms are pretty small, luckily I am pretty flexible, made things easier." ***What position worked best in such a small space?*** "Him taking me from behind, slightly bent over with my leg up on the sink worked perfectly. I have completed the official 'Sex Bucket List'. It was eye-opening that's for sure." ***Well, you opened more than your eyes.***

WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED? "I was pretty nervous at the beginning, but it ended up being a total turn on. Before this, I had never actually been photographed naked."

I said, 'I needed to use the bathroom'." ***Do we really want to hear any more of this?*** "I stripped off my black satin kitten dress and walked out into the lounge, just wearing my black high heels and thigh-high stockings." ***OK, we do.*** "I said to him, 'We aren't gonna be friends'." ***We're sure he could deal with that news just fine.***

“Me and her boyfriend had sex”

JANE
WELLINGTON, NZ

Before hitting the gym, it is important to get a good stretch in. Our 35-year-old Kiwi friend Jane is not only demonstrating how to stretch, she is also inspiring a quick stretch of something else later on. ***Tell us about some awesome group sex fun you and your well-toned body have gotten up to.*** “I was at a friend’s house party and her boyfriend asked me if I wanted to have a threesome.” ***And your reply?*** “I said OK.” ***This sounds promising.*** “But then my friend said she didn’t want to, but me and her boyfriend had sex anyway.” ***Oh dear.*** “It was fun at the time, but we are not friends anymore and I had to move out of town. I felt so guilty and ashamed, and I even brought her flowers.” **WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED?** “It is just a form of art. And getting all dolled up for the camera and having someone take nude pics is a great time and a lot of fun.”

HOMIES FLASHBACK

BABES FROM OUR "WONDER YEARS"

FLASHBACK TO APRIL, 2000

We were far more SOPHISTICATED back in the early noughties. So sophisticated in fact that we even ran a yarn about a young Gold Coast pollie by the name of Sheryl Richards and her attempt at becoming Mayor. She mighta had her tits out, and possibly even her smoo, but that's not the only reason we covered the story... Oh, wait, yeah it was.

"I love the intimacy of BDSM"

LILY BLAKE
COOPERS PLAINS, QLD

Sexy librarian and burlesque fan Lily Blake, 25, helps out "at a monthly BDSM party where I spank, tie up, and drip wax on attendees". ***Sounds a beaut hobby.*** "I love the intimacy. I love seeing people have fun. There's just something amazing about drawing those sounds out of someone." ***What is the wildest thing you have seen at a party?*** "Sex isn't usually allowed inside the houses. One party I walked out to the backyard where two friends were screwing each other over the garden table. Without missing a beat, the guy shouts out, 'Sorry we're in the middle of something.'" ***You weren't tempted to join in?*** "Not at that party. I had an excited young couple ready inside to be tied to the cross for some fire play." **WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED?** "This was my first shoot. But it made me decide I wanted to do cams. And I get paid to hang out and chat naked."

JESSICA
NOOSA, QLD

American traveller Jessica, 33, is enjoying her time in Australia and New Zealand. "I have met so many nice guys – good looking and funny." ***Have you done more than just listen to their jokes?*** "A girl never kisses and tells." ***Boo.*** "Oh, what the hell… yeah, I have had a couple of flings. Travel lets you leave your hang-ups at home. And there is plenty of drinking to let you relax and drop your guard. I have met plenty of sexy guys from all over the world." ***Are dorm rooms a problem when you pick up?*** "I rarely stay in dorms nowadays, so I always have a nice, comfy private room to get up to mischief in." **WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED?** "I had never done anything like this before – and I am not sure anyone at home will find out. It felt really liberating. I'd recommend it to any girl – particularly if they are shy. I still can't believe I am going to be published nude in a magazine."

JESSIE
NORTH SYDNEY, NSW

Jessie, 22, is using technology to get through a long-distance relationship. "We're using the webcam a bit these days. I used to be really shy on camera but now I like being able to see the reactions all over my partner's body and face when he sees me. He's even suggested I try webcam modelling now." ***Would it turn you on performing naked for other people?*** "I think so. If they get into it, then I think it will be easy for me to enjoy, too." ***What is the most explicit thing you would do on camera?*** "I don't know that I'd have sex on camera but I'd definitely suck cock if I had a willing volunteer." ***Form a line here, readers. What about inviting a girlfriend along?*** "Ooh yeah! We could do a show to show the guys what women really want."

WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED? "It is probably the same with everyone – you get to feel sexy and know that people think you're sexy, too, which is a really good feeling. I've only been photographed naked a few times."

ANNABELLE ROSS

PERTH, WA

"Everyone is surprised when I tell them I have 14 piercings," admits 25-year-old Annabelle Ross. ***Where are your piercings?*** "I have five in each ear, a nipple piercing, my belly button and two downstairs. I was gonna get my other nipple done but because I have the world's most sensitive nipples, it hurt too much. So I am not doing that again." ***How painful was it getting downstairs done?*** "The clit piercing wasn't painful. It just felt like I'd been flicked and the dermal was insanely painful." ***Was it odd having a stranger messing around down there with a little prick, or are you used to that?*** "It was a chick, and I have never had a girl down there before. If I wasn't in so much pain, I could have found it arousing." ***Any plans to invite a girl down there in less painful circumstances?*** "Only if I am drunk and having a threesome. Liquor me up and love me." **WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED?** "I love the freedom. I am naked all the time."

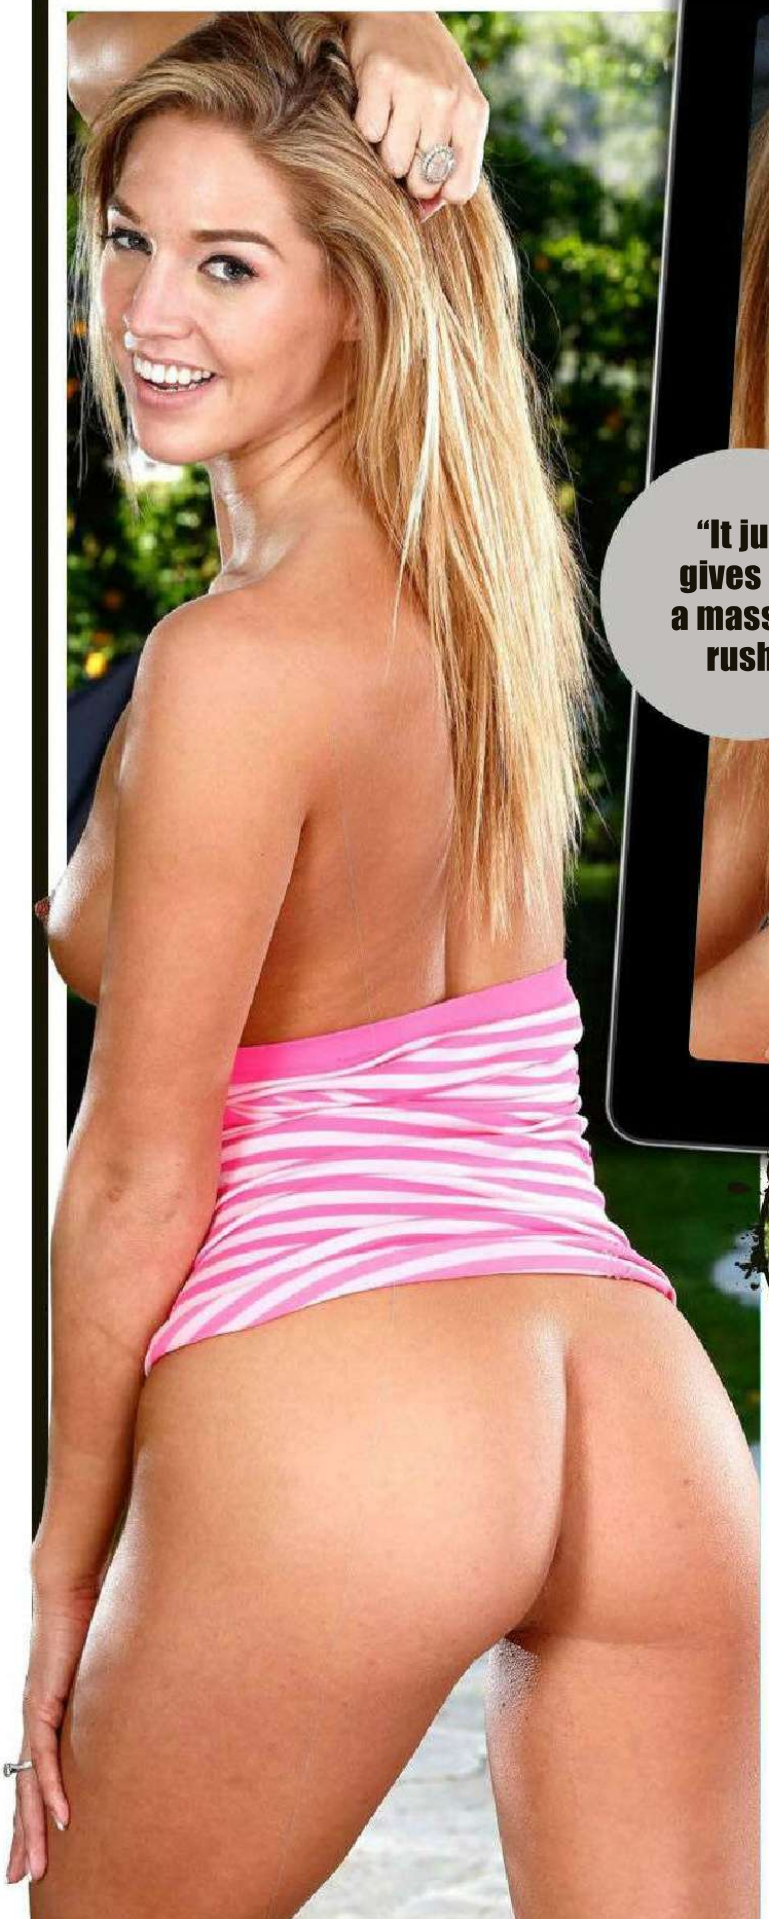
"I'm reigning champ of strip beer pong"

Nineteen-year-old mates Sarah-Bear and Mikah made quite a splash together. ***Pillow fights or jelly wrestling?*** **Sarah-Bear:** "I'd lose in the jelly wrestling; because I would be too busy eating it. Pillow fight? Close call." **Mikah:** "Pillow fights, because I have a good pillow swing." ***Where else do your super quick skills come in handy?*** **Mikah:** "When I see something I like, I'm quick to get it." ***Were you quick to grab Sarah-Bear's arse?*** **Mikah:** "I think I was quicker to grab them lush set of boobies if anything." ***What clothes-free games would you win?*** **Sarah-Bear:** "Strip beer pong is a specialty, to be honest. I am definitely a reigning champ. The most I have won in one night is six out of eight games and most of which I was glad to be wearing nice underwear."

WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED?

Mikah: "I enjoy it. I think it is beautiful showing off the human body. I have been photographed nude a few times."

Sarah-Bear: "I had never done it before. I wanted to help a friend out and now I have ended up enjoying it."



"It just gives me a massive rush"

TAMMY
COTTESLOE BEACH, WA

DANCE enthusiast Tammy has recently discovered that blokes will fork up a nice chunk of change simply to watch her shake her beaut glutes and smoo. "My friend told me about exotic dancing and I decided I would give it a try," explained the perky-as-fuck 21-year-old. "I was always a dancer, but now I get to make bit of money from it." ***But it's not all about the MOOLAH, is it? Where's the LOVE?*** "There's so much love! I really enjoy being on stage and dancing around, and I like knowing that I'm making other people happy." ***Think you mean 'horny'?*** "Same thing, isn't it?" ***Suppose so! Ever get JIGGY with any members of your audience?*** "I've just started so I haven't had the chance. I don't think I will, though. I'll try and keep it professional and stuff." ***Don't wanna dip your pen in company ink, eh!*** "But maybe if a real hottie approaches me, I just won't be able to refuse!" ***No. We wouldn't kick a babe like you out of bed for eating rice crackers, either.***

WHAT DO YOU LIKE ABOUT BEING PHOTOGRAPHED NAKED? "I like that it feels so naughty! It gives me a massive rush and makes me feel sexy. I'm not sure my parents would approve, though"

GO FACT YOURSELF!

THIS ISSUE: GOLD NUGGETS

01. Most of the world's gold comes from South Africa, but seven of the 10 biggest nuggets ever discovered were dug up in 'Straya, cunts.

02. Nuggets are generally made up of 83 to 92 per cent gold. Chicken McNuggets are meant to be 95 per cent chicken, but we're FRANKLY sceptical.

03. The richer and deeper the orange-yellow colour of a nugget, the higher its gold content. Brown nuggets are of little value.

Shutterstock

04. The 27-kilogram Hand of Faith, found in Kingower, Victoria, is the biggest nugget discovered with a metal detector in 1980. It was sold for $US1 million to the Golden Nugget Casino in Las Vegas, to make people feel shitter about blowing the rent.

05. A gold nugget five millimetres in diameter can be belted into a 0.5-square-metre piece of foil, making it great for wrapping sambos on the goldfields.

06. The largest nugget in existence is the 61-kilogram Pepita Canaa, found in 1983 by miners in Brazil. Rumour has it the nugget was 150 kilograms, but the silly plonkers busted it up during its excavation.

07. An easy way to see if a nugget is gold by hitting it with a hammer. If it crumbles, it isn't true gold. If it flattens, it's not a nugget anymore – a total bummer either way.

08. The biggest nugget on record was the 70-kilogram Welcome Stranger, found at Moliagul, Victoria, in 1869. It was discovered at the base of a tree, buried at just three centimetres deep. Spewing if you'd taken a slash there, and missed it.

SIZE Really Does Matter!

DO YOU WANT A BIGGER, THICKER, LONGER PENIS?

PENIS SCIENCE 101

When it comes to the chemistry and mechanics of the penis there are many components to take into account. Unfortunately most pills on the market, even prescription pills, only address one, maybe two of these components. You probably know that testosterone is a major trigger for penis function but what about nitric oxide ? Medicos have long known of the benefits of nitric oxide but it was only recently that the wonders of this molecule and its role in the function of the male member was discovered. So important was the discovery that the three pharmacologists who made the discovery were awarded the Nobel prize. Nitric oxide works on the vascular system and is an integral component in aiding the flow of blood into the penis thus providing for maximum growth potential.

CONCENTRATED FORMULA

The ingredients of Testrone with Tongkat Ali have been shown to increase both testosterone and nitric oxide in the blood. Only the strongest potency herbs are used in our formula. The Tongkat Ali is imported from the most reputable sources in Asia. This herb has been used by men throughout Asia for centuries to increase desire, libido and performance in the bedroom
